El campo/The Field (Spanish Edition) By Lynne McTaggart

Lynne McTaggart, indefatigable investigative journalist, reveals a radical new biological paradigm that on our most fundamental level, the human mind and body are not distinct and separate from their environment but a packet of pulsating power constantly interacting with this vast energy sea. The Field is a highly readable scientific detective story that offers a stunning picture of an interconnected universe and a new scientific theory that makes sense of supernatural phenomena. Original, well researched and well documented, this is a book of hope and inspiration for today's world. Los experimentos descritos en este libro demuestran que la realidad no es como la imaginamos y aportan pruebas científicas sobre los sucesos paranormales, la evidencia, el poder de la oración, la homeopatía, la curación espiritual y el instinto de los animales, por citar sólo algunos de los temas implicados.

Editorial Review

About the Author

Journalist and author LYNNE MCTAGGART is one of the preeminent spokespersons on consciousness, the new physics, and the practices of conventional and alternative medicine. The author of The Intention Experiment, she lectures worldwide and is co-executive director of Conatus, which publishes well-respected health and spiritual newsletters. She lives with her family in London.

Users Review

From reader reviews:

David Soto:

This El campo/The Field (Spanish Edition) book is just not ordinary book, you have it then the world is in your hands. The benefit you have by reading this book is usually information inside this guide incredible fresh, you will get info which is getting deeper anyone read a lot of information you will get. This particular El campo/The Field (Spanish Edition) without we recognize teach the one who reading it become critical in pondering and analyzing. Don't possibly be worry El campo/The Field (Spanish Edition) can bring if you are and not make your tote space or bookshelves' come to be full because you can have it inside your lovely laptop even cellphone. This El campo/The Field (Spanish Edition) having very good arrangement in word as well as layout, so you will not really feel uninterested in reading.

Maureen Harris:

As people who live in typically the modest era should be up-date about what going on or details even knowledge to make these keep up with the era that is always change and progress. Some of you maybe will update themselves by reading books. It is a good choice for you personally but the problems coming to you is you don't know what kind you should start with. This El campo/The Field (Spanish Edition) is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Elmer Dooley:

Reading a book being new life style in this yr; every people loves to study a book. When you examine a book you can get a lots of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself look for a fiction books, such us novel, comics, along with soon. The El campo/The Field (Spanish Edition) provide you with a new experience in reading through a book.

Pam Gray:

Is it a person who having spare time and then spend it whole day by watching television programs or just lying on the bed? Do you need something new? This El campo/The Field (Spanish Edition) can be the response, oh how comes? A book you know. You are so out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?
