## Faith of Our Fathers By Chan Kei Thong

Chan Kei Thong has brought up an interesting discussion about the relationship between God, China and its language. He thinks that China and Israel both share a long history with rich cultures. Due to the many similarities and belief in God as the only Creator, the author points out in detail how Chinese characters manifest historical evidences and many aspects recorded in the Bible. He claims China's 4000 years of history as proof to support that God has never left this country. Like New: Pages are clean and are not marred by notes or folds.
