### **Editorial Review**

#### **Review**

Jacobson, author of four books, is a respected teacher, healer, and mystic. *Journey Into Now*, his newest publication, offers long-time travelers on the spiritual path and new seekers a detailed map to enlightenment and a clear description of what it will look and feel like when one gets there. Of special interest is his inclusion, at the end of the book, of his own very personal awakening experiences. Spiritual seekers need look no further than this book to find the inspiration, challenge, and direction needed to become a fully awakened Being.. --Kristine Morris, ForeWard Magazine

*Journey into Now* cuts through so much of the spiritual mumbo-jumbo that seems to accumulate in the hears on the path. It's not about the idea of being present, it's simply being present. What Leonard does in this book is step you through the obstacles to being present and give you exercises that lead you into the present moment. --Will Arndt, Producer and Director of *What the Bleep*

*Journey into Now* is a must read for anyone interested in becoming more fully present. It is one of the best books ever written about the nature of the mind and how to overcome the many and subtle blocks to awakening, including the resistance of the ego. It reveals in the simplest terms what the mystics and Masters have been speaking of for centuries. Simple and practical and yet profoundly mystical, *Journey into Now* is for those whose hearts and souls long to awaken. --David Welch, Producer of *Peaceful Warrior*
