Learn System Center Configuration Manager in a Month of Lunches By James Bannan

Summary

Learn System Center Configuration Manager in a Month of Lunches is a super-practical guide to Microsoft System Center Configuration Manager. In this book, you'll cut to the chase and learn the administrative procedures and techniques that will keep your systems humming smoothly.

Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book.

About the Technology

Businesses rely on a complex patchwork of client computers, physical and virtual servers, middleware, mobile devices, and cloud services. Microsoft System Center Configuration Manager (SCCM) sits in the middle of this mix, providing a single administrative control center to deploy and manage Windows servers and applications across your entire infrastructure, including cross-platform management of Mac OS X, Linux, and UNIX. To get up to speed with the day-to-day tasks of managing a system with ConfigMgr, all you need is this book—and a quiet place to eat your lunch.

About the Book

Learn System Center Configuration Manager in a Month of Lunches is a super-practical guide to Microsoft System Center Configuration Manager. In this book, you'll cut to the chase and learn the administrative procedures and techniques that will keep your systems humming smoothly. Whether you're a new sysadmin or you already understand the inner workings of Active Directory and Windows Server, you'll be productive immediately as you work through the 22 self-contained lessons in this handy tutorial.

Users Review

From reader reviews:

Babara Lopez:

Book is to be different per grade. Book for children until adult are different content. As we know that book is very important normally. The book Learn System Center Configuration Manager in a Month of Lunches seemed to be making you to know about other information and of course you can take more information. It is extremely advantages for you. The reserve Learn System Center Configuration Manager in a Month of Lunches is not only giving you much more new information but also to get your friend when you feel bored. You can spend your current spend time to read your publication. Try to make relationship together with the book Learn System Center Configuration Manager in a Month of Lunches. You never truly feel lose out for everything when you read some books.

Lou Whisenhunt:

The reason why? Because this Learn System Center Configuration Manager in a Month of Lunches is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who else write the book in such remarkable way makes the content interior easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of gains than the other book possess such as help improving your proficiency and your critical thinking technique. So , still want to hold up having that book? If I were you I will go to the e-book store hurriedly.

Richard Graham:

Are you kind of occupied person, only have 10 or even 15 minute in your day to upgrading your mind expertise or thinking skill even analytical thinking? Then you are receiving problem with the book in comparison with can satisfy your short space of time to read it because all this time you only find book that need more time to be examine. Learn System Center Configuration Manager in a Month of Lunches can be your answer because it can be read by anyone who have those short extra time problems.

Robert Lewis:

Book is one of source of expertise. We can add our know-how from it. Not only for students and also native or citizen want book to know the update information of year for you to year. As we know those ebooks have many advantages. Beside we add our knowledge, also can bring us to around the world. By the book Learn System Center Configuration Manager in a Month of Lunches we can get more advantage. Don't someone to be creative people? To be creative person must want to read a book. Just choose the best book that suitable with your aim. Don't possibly be doubt to change your life with that book Learn System Center Configuration Manager in a Month of Lunches. You can more attractive than now.
