Nowhere Ranch By Heidi Cullinan

Roe Davis is a man who works hard, keeps to himself, and never mixes business with pleasure -- until he takes a weekend away from his new job at Nowhere Ranch and runs into the owner at the only gay bar for two hundred miles. Getting involved with the boss is a bad idea, but Travis Loving is hard to say no to, especially when it turns out their kinks line up like a pair of custom-cut rails. As Loving points out, so long as this is sex on the side, no interfering with the job, they could make it work.

The truth is, there's good reason Roe never settles down and always spends his birthdays and holidays celebrating alone. Shut out in the cold by his family years ago, Roe survived by declaring he didn't need a home. As his affair with Loving grows into more than just sex, Roe finds out what happens when he stays put a little bit too long: the past always catches up with you. Eventually, even a loner gets lonely, and home will grow up through whatever cracks you leave open for it -- even in a place called Nowhere.

Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Male/male sexual practices, strong BDSM theme and elements, fetish play.

Editorial Review

Users Review

From reader reviews:

Erin Weiss:

This Nowhere Ranch book is not really ordinary book, you have it then the world is in your hands. The benefit you have by reading this book is actually information inside this book incredible fresh, you will get details which is getting deeper an individual read a lot of information you will get. This specific Nowhere Ranch without we realize teach the one who reading it become critical in contemplating and analyzing. Don't possibly be worry Nowhere Ranch can bring whenever you are and not make your tote space or bookshelves' turn into full because you can have it in the lovely laptop even cellphone. This Nowhere Ranch having good arrangement in word in addition to layout, so you will not truly feel uninterested in reading.

James Adcock:

This Nowhere Ranch is new way for you who has interest to look for some information as it relief your hunger associated with. Getting deeper you on it getting knowledge more you know or else you who still having little digest in reading this Nowhere Ranch can be the light food for yourself because the information inside that book is easy to get by anyone. These books build itself in the form which is reachable by anyone, yeah I mean in the e-book type. People who think that in publication form make them feel sleepy even dizzy this guide is the answer. So there isn't any in reading a e-book especially this one. You can find actually looking for. It should be here for a person. So , don't miss the idea! Just read this e-book variety for your better life as well as knowledge.

Joseph Herbst:

That reserve can make you to feel relax. This particular book Nowhere Ranch was bright colored and of course has pictures around. As we know that book Nowhere Ranch has many kinds or category. Start from kids until teens. For example Naruto or Detective Conan you can read and believe you are the character on there. Therefore , not at all of book tend to be make you bored, any it offers you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading this.

Teresita Donahue:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on

this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Nowhere Ranch can make you sense more interested to read.
