### Editorial Review

#### Review

"A wonderfully written book, ironical, cerebral, elegant."

—Joyce Carol Oates, **The New York Times Book Review**

"She writes a prose that lends itself to magnificent set pieces of fastidious sensuality ... dreams, myths, fairy tales, metamorphoses, the unruly unconscious, epic journeys, and a highly sensual celebration of sexuality in both its most joyous and darkest manifestations."

—Ian McEwan

"Carter not only switches her narrative into the wholly explicit but turns the passive predicament of the heroine into one in which the convention of female role-playing seems to have no part, only brisk and derisive common sense, the best feminine tactic in a tight corner. The tales are retold by Angela Carter with all her supple and intoxicating bravura."

—**The New York Review of Books**

"She was, among other things, a quirky, original, and baroque styleist, a trait especially marked in **The Bloody Chamber** – her vocabulary a mix of finely tuned phrase, luscious adjective, witty aphorism, and hearty, up-theirs vulgarity."

—Margaret Atwood, **The Observer**

#### About the Author

**Angela Carter** (1940 -1992) wrote nine novels and numerous short stories, as well as nonfiction, radio plays, and the screenplay for **Neil Jordan's** 1984 movie **The Company of Wolves**, based on her story. She won numerous literary awards, traveled and taught widely in the United States, and lived in London.

### Users Review

#### From reader reviews:

##### **Jose Jones:**
