### Editorial Review

#### From [Booklist](#)

Popular blogger and cookbook author Drummond shares the story of her courtship and marriage to her husband, whom she refers to as Marlboro Man. Though Drummond grew up in Oklahoma, she never imagined she'd end up there for good. After four years of college in Los Angeles, Drummond was only making a pit stop home before moving to Chicago. A chance encounter with a devastatingly masculine cowboy in a local bar changes everything. Though several months elapse before Marlboro Man calls her, the spark between them ignites as soon as they start dating. A rancher with deep roots in the land he works, Marlboro Man isn't going anywhere, which means Drummond has to decide whether, to be with him, she's willing to give up her dream of moving to Chicago. By the time Marlboro Man proposes, the decision is made, and Drummond prepares to marry the love of her life and discover what being a rancher's wife will entail. Charming and bright, Drummond's story will be an inspiration to those who despair of finding old-fashioned, lasting love. --Kristine Huntley

#### From the Back Cover

That's when I saw him—the cowboy—across the smoky room.

I'll never forget that night. It was like a romance novel, an old Broadway musical, and a John Wayne Western rolled into one. Out for a quick drink with friends, I wasn't looking to meet anyone, let alone a tall, rugged cowboy who lived on a cattle ranch miles away from my cultured, corporate hometown. But before I knew it, I'd been struck with a lightning bolt . . . and I was completely powerless to stop it.

This isn't just my love story; it's a universal tale of passion, romance, and all-encompassing love that sweeps us off our feet.

It's the story of a cowboy. And Wranglers. And chaps. And the girl who fell in love with them.
