For all who love the magical flavors of good Indian cooking and want to reproduce effortlessly some of the delectable dishes from that part of the world, here is a groundbreaking book from the incomparable Madhur Jaffrey that makes it possible. By deconstructing age-old techniques and reducing the number of steps in a recipe, as well as helping us to understand the nature of each spice and seasoning, she enables us to make seemingly exotic Indian dishes part of our everyday cooking.

- First, she tantalizes us with bite-size delights to snack on with drinks or tea.
- A silky soup is mellowed with coconut milk; a spinach-and-ginger soup is perfumed with cloves.
- Fish and seafood are transformed by simple rubs and sauces and new ways of cooking.
- A lover of eggs and chicken dishes, Jaffrey offers fresh and easy ways to cook them, including her favorite masala omelet and simple poached eggs over vegetables. There's chicken from western Goa cooked in garlic, onion, and a splash of vinegar; from Bombay, it's with apricots; from Delhi, it's stewed with spinach and cardamom; from eastern India, it has yogurt and cinnamon; and from the south, mustard, curry leaves, and coconut.
- There is a wide range of dishes for lamb, pork, and beef with important tips on what cuts to use for curries, kebabs, and braises.
- There are vegetable dishes, in a tempting array—from everyday carrots and greens in new dress to intriguing ways with eggplant and okra—served center stage for vegetarians or as accompaniments.
- At the heart of so many Indian meals are the *dals*, rice, and grains, as well as the little salads, chutneys, and pickles that add sparkle, and Jaffrey opens up a

new world of these simple pleasures.

Throughout, Madhur Jaffrey's knowledge of and love of these foods is contagious. Here are the dishes she grew up on in India and then shared with her own family and friends in America. And now that she has made them so accessible to us, we can incorporate them confidently into our own kitchen, and enjoy the spice and variety and health-giving properties of this delectable cuisine.

Editorial Review

From Publishers Weekly

Starred Review. Legendary chef, notable actress, and prolific author Jaffrey demystifies Indian cuisine for the home cook in this appealing and flavorful collection. Jaffrey highlights dishes that are simple, straightforward, and ideal for time-pressed cooks by utilizing simpler methods and fewer steps than traditionally used. Her recipes hail mostly from India but also from southern Asia and reflect the diversity of this large geographical area. From chickpeas for nibbling or chicken mulligatawny soup to eggplant with fennel and cumin, she showcases easy-to-make dishes with readily accessible ingredients. She offers a wide array of fish and seafood dishes including spicy stir-fry shrimp, mussels in a creamy coconut sauce, and squid curry. Jaffrey also includes chapters on eggs and poultry, meat, rice and grains, and desserts. Not surprisingly, sections on vegetables, dal, and chutneys are especially tantalizing, with South Indian-style green beans, potato chaat with variations, green lentils with green beans and cilantro, black-eyed peas with butternut squash, and peanut chutney with sesame seeds. With more than 30 color photos, this book is as attractive as it is appetizing, and Jaffrey's legions of fans will eagerly embrace her newest compilation.

Jaffrey adds to her already considerable output with a very attractive new cookbook of easily prepared, thoughtful, and unusual dishes from India, Pakistan, Bangladesh, and Sri Lanka. Anyone looking to explore Indian cooking for the first time will find this volume uniquely helpful. Jaffrey limits ingredients in most recipes to fewer than a dozen, and she restrains the range of required spices to a small handful that can generally be bought in any decently stocked supermarket. In addition to the sorts of stewed vegetable dishes typical of Indian cooking, there are meat and seafood offerings less generally recognized. Lamb shanks braise in an aromatic sauce. She even offers pork sausage patties. Cooks who don't ordinarily consider Indian cuisine at home may be intrigued by Jaffrey's inventory of appetizers such as spicy popcorn and perfumed almonds, which present unexpected flavors that will wow as preprandial snacks or between-meal munchies. --Mark Knoblauch
