Detectives in Togas By Henry Winterfeld

In these two delightful history-mysteries, seven boys in Ancient Rome solve strange crimes . . . thanks to some help from their cranky teacher, a little bit of logic, and a lot of amusing misadventure.

Yes, Rufus wrote Caius Is A Dumbbell on his tablet at school, but no, he did *not* break into the schoolroom, did *not* tie up his teacher, and certainly did *not* paint his slur about Caius on the Temple of Minerva (even if it *is* in Rufus's own handwriting). Rufus is doomed unless his six classmates can find out who is *really* responsible. Every hour seems to bring a new, confusing clue . . . until the boys finally stumble upon someone who is not what he appears to be.

Editorial Review

Review

"An original and humorous mystery story . . . tied neatly into a plot that has continuous suspense. . . . The boys are real in their mischief and eager deducing, and the historical details are so naturally a part of the story that the whole has a liveliness that the pictures suggest."--*The Horn Book*
