Eloise in Paris By Kay Thompson

Bonjour!

Here's the thing of it: Paris has just been discovered by Eloise the little girl from the Plaza...

Here is what Eloise does in Paris: everything.

The effect is rawther extraordinaire. If you come to Paris with Eloise you will always be glad you did.

Eloise in Paris was first published in 1957, the second of the Eloise quartet, and an immediate bestseller. Kay Thompson and Hilary Knight traveled to Paris to research the book, and the illustrations are dotted with the celebrities they knew there: Richard Avedon takes Eloise's passport photograph; Christian Dior prods her tummy, while his young assistant, Yves Saint Laurent, looks on; Lena Horne sits at an outdoor café.

All four Eloise books by the late Kay Thompson and Hilary Knight -- *Eloise: The Absolutely Essential Edition*, *Eloise in Paris*, *Eloise at Christmastime*, and *Eloise in Moscow* -- are now being reissued by Simon & Schuster.

Editorial Review

Amazon.com Review

Why is Eloise, 6-year-old resident of the Plaza Hotel in New York City, going to Paris? She and Nanny were summoned by a cablegram from Eloise's mother, and, as we all know, "If you are going to Paris France / you have to turn into French and absolutely go wild / and put adhesive tape on you / and fall down a lot and sklathe the window / and stretch into the curtain and..." Ahh, the deliciously mad logic of Eloise. She promptly gets on the phone to tell everyone--including room service--that she is Paris bound. There's so much to do--shots, passport pictures, packing ("Here's what else you have to take / Everything"), and of course the endless good-byes. Fortunately, "Sabena is the only airline / that will allow you to travel with a turtle" so Skipperdee comes along for the ride. At last, *ils arrivent!*

Hilary Knight captures familiar Parisian sights in his delicately hewn pen-and-ink illustrations of everything from the Arc de Triomphe to the Seine to the Champs Élysées to outdoor cafés. Children will study every detail of each *rawther* extraordinaire illustration, from Weenie's snout (such as it is) peeking out from under the hotel bed to the bandy-legged, bunched-shirted Eloise with her necklace of champagne corks. Even if children don't understand half of the quirks and language directed toward precocious grownups ("Langoustines make very good fingernails"), they'll find more than enough to delight them down to their very toes. Adults, of course, will also revel in this fascinatingly eccentric romp. And if you know anyone who loves (or will love) Paris, this book is the perfect bon voyage gift. *Eloise in Paris* was first published in 1957, the sequel to the original *Eloise*, and is every bit as wondrous. If you're in search of more Eloise (and who isn't really?), don't miss *The Absolutely Essential Eloise*, the original *Eloise* book with an additional scrapbook that tells the whole story of this impish character and her devoted creators. About the Author

Kay Thompson (1909–1998) was a singer, dancer, vocal arranger, and coach of many MGM musicals in the 1940s. The Eloise character grew out of the voice of a precocious six-year-old that Miss Thompson put on to amuse her friends. Collaborating with Hilary Knight on what was an immediate bestseller, Kay Thompson became a literary sensation when *Eloise* was published in 1955. The book has sold more than two million copies to date. Kay Thompson and Hilary Knight created four more Eloise books, *Eloise in Paris*, *Eloise at Christmas*, *Eloise in Moscow*, and *Eloise Takes a Bawth*.

Hilary Knight, son of artist-writers Clayton Knight and Katharine Sturges, was educated at the Art Students League, where he studied with Reginald Marsh. Besides the Eloise books, Hilary Knight has illustrated more than fifty books for children, six of which he wrote himself. He lives and works in New York City, not far from The Plaza Hotel.

Users Review

From reader reviews:

Milton Jones:

Spent a free a chance to be fun activity to try and do! A lot of people spent their leisure time with their family, or their particular friends. Usually they accomplishing activity like watching television, gonna beach,

or picnic inside park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Could be reading a book might be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to test look for book, may be the publication untitled Eloise in Paris can be good book to read. May be it may be best activity to you.

Lisa Gaither:

Reading a book to get new life style in this yr; every people loves to learn a book. When you examine a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your research, you can read education books, but if you want to entertain yourself read a fiction books, this kind of us novel, comics, in addition to soon. The Eloise in Paris provide you with a new experience in looking at a book.
