Editorial Review

About the Author

Nigel Jackson, born in 1963, lives in Manchester, England and is a well-known artist and illustrator specializing in the symbolism of Western Esoteric Tradition: he is deeply immersed in the traditional Tarot of 15th century Italy, the magical teachings of medieval-renaissance astrological magicians such as Ficino, Agrippa and Bruno and in bringing to life the talismanic images inherited from ancient sources of arcane lore such as the Arabian grimoire The Picatrix. He has worked intensively in researching the magical system of the 28 Mansions of the Moon. Nigel has been involved for the last quarter of a century in pursuing the inner wisdom of the hermetic mysteries and in expressing the symbolic 'language of the gods' through his visual art which he views as a living 'alchemy of the imagination'.
