How to restore Honda CX500 & CX650: YOUR step-by-step colour illustrated guide to complete restoration (Enthusiast's Restoration Manual)

By Ricky Burns

When Honda released the CX500, the sales brochure stated 'First into the Future,' and described the bike as a road sports V-twin. Honda's first venture into the V-twin engine market, with water cooling and shaft drive, was certainly different from their previous twin- and four-cylinder models. Known for its good handling and fuel economy, the low maintenance Honda was comfortable, loved by tourers and couriers alike and, after overcoming early teething troubles, developed a reputation for reliability. Sportier models incorporating turbochargers were also released, for those looking for an additional adrenaline rush. After thirty years, there's now a resurgence of interest in the CX models, both from restorers and custom builders, with aftermarket café racer kits available, too.

The techniques, tips and tricks used by an experienced restorer will save you time and money. You'll see that you don't need expert knowledge or a fully fitted workshop for a restoration project. Packed full with photographs and detailed instructions, this book is your perfect guide, from start to finish.

Editorial Review

Review

"If you have a CX 500 or 650 in need of some TLC then this book would make a very good foundation course for getting the spanners working; definitely recommended." - **Tansha**

"a very valuable tool" - **Het MotorRijwiel**

"Whether a full restoration of a vintage Honda CX/GL is in the plan, or you need a guide for a limited rebuild or maintenance, *How to Restore Honda CX500 & CX650* is an excellent resource." - **Ultimate MotorCycling**

About the Author

Ricky Burns has been an avid restorer of motorcycles since the 1970s. He has restored many classic motorbikes from the 70s and 80s, from small Yamaha 2-strokes, all the way up to large multi cylinder machines. Ricky has now decided to share his experience and knowledge with like-minded enthusiasts. Aiming to connect with all the Honda CX enthusiasts out there, he decided to dedicate his evenings to a Honda CX500 restoration project and this new book was born!

Users Review

From reader reviews:

Berneice Ritzman:

What do you in relation to book? It is not important to you? Or just adding material when you really need something to explain what you problem? How about your spare time? Or are you busy individual? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every person has many questions above. They have to answer that question because just their can do this. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need this specific How to restore Honda CX500 & CX650: YOUR step-by-step colour illustrated guide to complete restoration (Enthusiast's Restoration Manual) to read.

Margaret Hall:

Is it you who having spare time after that spend it whole day by watching television programs or just telling lies on the bed? Do you need something new?
