### **Editorial Review**

#### **Review**

Waterford Press offers . . . different titles such as *Backyard Birds* and *Birds of Prey* . . . although these contain only simple listings of the most common types in your area, it s amazing how many species they pack into these inexpensive heavy duty cards. An added benefit is that they can be folded to create a book-like spine for easy display.

There are dozens of these stunningly illustrated pocket guides to nature. They easily fit in a shirt pocket with space left for note paper and pen. While you won t want to discard your bulky bird, flower, tree, etc. books, these are ideal casual identification guides. In addition to the illustrations, there is enough descriptive material on each species to key in on and then follow- up when it is convenient to scour the books for greater details and confirmation. If we ran a store that catered to outdoor enthusiasts, we d sure have some of these in the rack.
