## The Good Doctor: Bringing Healing to the Hopeless By Dr. Sai R. Park M.D.

The Good Doctor is the inspiring story of Dr. Park's struggle to survive through his childhood during the era of war torn Korea. With true grit, he achieves his way to the pinnacle of success as a medical doctor in the U.S., only to walk away from it all to return to the wretched ditches of life to save the sick and forgotten people dying in North Korea. He has worked in medical missions in that country for the last twenty years. This book will infuse the reader with renewed hope in the strength of the human spirit. It will remind us all that only in relinquishing the things of this world which we hold so dear do we truly find meaning for our lives and gain treasure beyond all value: eternal life ensconced in the loving grace of our Lord Jesus Christ.
