Editorial Review

From School Library Journal

Gr 9 Up-England is in turmoil, cut off from the rest of the world by a series of natural disasters coined the "seventeen days." In the wake of this, a ruthless villain has started an uprising to overthrow the royal family. The King and Queen have been assassinated and two of the three royal children have been taken captive. Middle child, Eliza, a 16-year-old spitfire, has escaped and has made it her mission to rescue her siblings and seek revenge for her family's murder. She infiltrates the enemy army in order to fulfill her mission and ends up finding an unlikely ally. Like other titles in its genre, Galaxy Craze's tale (Poppy, 2012) features a strong female protagonist trying to survive in an apocalyptic landscape. What sets this one apart is the royal element and Eliza's ability to be a pillar of hope to the masses. Leslie Bellaire narrates with a smoothness that draws listeners in. Give this to teens who enjoyed Lisa Blick's Ashes (Egmont USA, 2011) or Suzanne Collins's "The Hunger Games" series (Scholastic). -Rebecca Flannery, Lyman Memorial High School, Lebanon, CT

Review

"Romeo and Juliet-style romance and a dash of royal political intrigue." - *SLJ*

"A pulse-pounding, sobering look at human nature..." - *Booklist*

"There is plenty of action, with daring rescue capers, good old-fashioned battles, secret-identity mishaps, and thrilling near-escapes set against an English dystopian landscape. Genre fans will appreciate this old-school take on a futuristic predicament." - *BCCB*
