Yurei Attack!: The Japanese Ghost Survival Guide By Hiroko Yoda, Matt Alt

***Yokai Attack!* is a nightmare-inducing one-stop guide to Japan's traditional ghosts and spirits.**

Surviving encounters with angry ghosts and sexy spectres. Haunted places. Dangerous games and how to play them. And more importantly, a guided tour of what awaits in the world of the dead.

Yurei is the Japanese word for "ghost." It's as simple as that. They are the souls of dead people, unable—or unwilling—to shuffle off this mortal coil. Yurei are many things, but "friendly" isn't the first word that comes to mind. Not every yurei is dangerous, but they are all driven by emotions so uncontrollably powerful that they have taken on a life of their own: rage, sadness, devotion, a desire for revenge, or even the firm belief that they are still alive.

This book, the third in the authors' bestselling *Attack!* series, after *Yokai Attack!* and *Ninja Attack!* gives detailed information on 39 of the creepiest yurei stalking Japan, along with detailed histories and defensive tactics should you have the misfortune to encounter one.

Japanese ghosts include:

- Oiwa, The Horror of Yotsuya
- Otsuyu, The Tale of the Peony Lantern
- The Lady Rokujo, The Tale of Genji
- Isora, Tales of Moonlight and Rain
- Orui, The Depths of Kasane

Together with *Yokai Attack!* and *Ninja Attack!*, *Yurei Attack!* is the last guidebook to Japan you'll ever need.

Editorial Review

From School Library Journal

Gr 8 Up—For anyone who's ever wondered how they would fare against a kappa, kitsune, or the dreaded kuchisake onna, these lively volumes are structured as handbooks for surviving encounters with Japan's legendary monsters, spirits, assassins, and spies. *Ninja Attack!* dispels stereotypes while filling in the real history of these infamous spies and assassins. *Yokai Attack!* catalogs demons and monsters, and *Yurei Attack!* focuses on gruesome ghost stories. Action-packed tales of vengeful spirits and shape-shifting badgers are accompanied by historical background, regional origins, and related trivia, while profiles of well-known ninja are interspersed with details of their daily lives, such as housing and food. Each book includes appendixes with recommended books, movies, and websites for further research. Gleefully gory manga-style illustrations in full color add to the creep-out factor of the texts, and eye-catching layouts with photographs and reproductions of woodblock prints make for a visually appealing reading experience. Japanese names and words are seamlessly integrated into the texts, with Japanese characters appearing alongside English translations and pronunciation guides. An engaging blend of information and entertainment, this trilogy is a fantastic reference for budding manga artists who want to incorporate Japanese legends into their own stories, or anyone who simply enjoys a good scare.—Allison Tran, Mission Viejo Library, CA ©(c) Copyright 2011. Review

"Matt and Hiroko have once again created an intriguing and spirited telling of a piece of Japanese mythology and cult history. Following on the back of their wonderfully successful books *Yokai Attack* and *Ninja Attack*, *Yurei Attack* is a fantastic read and beautifully illustrated by Shinkichi. This book will become a must for anyone that loves the unusual and wonderfully bizarre aspects of Japanese ghost stories." —**Richard Taylor, founder, WETA Workshop**

"*Yurei Attack! The Japanese Ghost Survival Guide* is the latest book by husband-and-wife author duo Hiroko Yoda and Matt Alt. Following *Yokai Attack!* (about monsters), and *Ninja Attack!*, their latest effort is an informative compendium of yurei (or ghost) stories from Japanese history, for adults and children alike. With a chatty, readable style backed up by serious scholarship and brought to life by Shinkichi's grisly illustrations, *Yurei Attack!* is a window into this rich vein of Japanese culture." —**JapanBackPacker.com blog**

"Hunting ghosts is the perfect activity especially this Halloween season! If you do not have the courage to do it but you really want to try, *Yokai Attack!* is here to guide you in overcoming your fear of ghosts. So what are you waiting for, start your ghost hunting adventures!" —**Otaku Asia Magazine**
