### 1000 Record Covers By Michael Ochs

Record covers are a sign of our life and times. Like the music on the discs, they address such issues as love, life, death, fashion, and rebellion. For music fans the covers are the expression of a period, of a particular time in their lives. Many are works of art and have become as famous as the music they stand for--Andy Warhol's covers, for example, including the banana he designed for The Velvet Underground.
