A History of Japan: From Stone Age to Superpower By K. Henshall

In a rare combination of comprehensive coverage and sustained critical focus, this book examines Japan's progress through its entire history to its current status as an economic, technological, and cultural superpower. A key factor is a pragmatic determination to succeed. Little-known facts are also brought to light, and the latest findings used.

Editorial Review

Review

'One of the most important books in Japanese Studies in recent years.' - Ken Coates, Professor of History, University of New Brunswick, Canada

'In making the history of this remarkable society accessible to a wider public Professor Henshall has performed a most valuable service.' - Derek Massarella, Professor of Economic History, Chuo University, Japan

'An extraordinary book that will appeal to student, specialist, and general reader alike.' - Laurie Barber, Professor of History, University of Waikato, New Zealand

About the Author

KENNETH HENSHALL was born in England and is professor of Japanese Studies at the University of Canterbury, New Zealand. He has published on a range of Japan-related topics such as history, society, language, and literature, and is author of the best-selling etymological work *Guide to Remembering Japanese Characters*.

Users Review

From reader reviews:

Joseph Curtis:

What do you concerning book? It is not important together with you? Or just adding material when you require something to explain what your own problem? How about your time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have time? What did you do? Every person has many questions above. They should answer that question due to the fact just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need that A History of Japan: From Stone Age to Superpower to read.

Melinda Miller:

Reading a book to be new life style in this 12 months; every people loves to study a book. When you read a book you can get a great deal of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what kinds of book that you have read.
