**Killing Kebble: An Underworld Exposed (Revised and Updated Edition)** By Mandy Wiener

In September 2005, Brett Kebble, a prominent South African mining magnate, was killed on a quiet suburban street in Johannesburg in an apparent 'assisted suicide'. The top-level investigation that followed was a tipping point for democratic South Africa, which implicated an astonishing array of high-profile politicians and public figures as well as illuminating the shadowy depths of Johannesburg's underworld. This new paperback edition of Killing Kebble includes: a Postscript that brings readers up to date on the developments and the people involved in this story since the publication of Killing Kebble in April 2011; and an extensive Author Interview.
