### **Editorial Review**

#### **Review**

Best for curious and independent-minded travelers' --Wall Street Journal

#### **From the Publisher**

Lonely Planet's first edition of "British Columbia" offers a candid and informative guide to Canada's most physically diverse province. "British Columbia" includes detailed guides and maps to the region's best hiking, skiing and snowboarding, as well as insightful tidbits on Canadian pass-times such as hockey and storm watching. As the cliché goes, there aren't many other places on Earth where you can ski in the morning and sail, hike or golf in the afternoon. Fisherman, cyclists, rock-climbers and nature watchers won't be disappointed either, with "British Columbia" providing detailed information for the solo traveler or those interested in special-interest group tours.

- Lodging for all budgets-from rustic campsites to four-star resorts
- Activities section, with advice on the best spots to hike and ski
- Extensive coverage of parks, both big and small
- Tips on seeing grizzlies, killer whales and moose
- More than 40 detailed maps, including a Vancouver map section
- 16 page section on Alberta's Banff National Park

### **Users Review**

#### **From reader reviews:**

##### **David Ochoa:**

Now a day individuals who Living in the era exactly where everything reachable by talk with the internet and the resources inside can be true or not require people to be aware of each data they get. How many people to be smart in acquiring any information nowadays? Of course the solution is reading a book. Reading through a book can help men and women out of this uncertainty Information specifically this Lonely Planet British Columbia (Lonely Planet British Columbia & the Canadian Rockies) book as this book offers you rich information and knowledge. Of course the details in this book hundred percent guarantees there is no doubt in it you know.

##### **Debbie Siegel:**

The reason? Because this Lonely Planet British Columbia (Lonely Planet British Columbia & the Canadian Rockies) is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret the idea inside. Reading this book adjacent to it was fantastic author who write the book in such wonderful way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of gains than the other book get such as help improving your expertise and your critical thinking means. So , still want to hold off having that book? If I were being you I will go to the book store hurriedly.

**Albert Parks:**

Many people spending their time frame by playing outside together with friends, fun activity having family or just watching TV all day long. You can have new activity to invest your whole day by studying a book. Ugh, do you consider reading a book will surely hard because you have to take the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Lonely Planet British Columbia (Lonely Planet British Columbia & the Canadian Rockies) which is finding the e-book version. So , why not try out this book? Let's observe.

**Rosalie Cox:**

Some individuals said that they feel bored stiff when they reading a e-book. They are directly felt the item when they get a half elements of the book. You can choose the actual book Lonely Planet British Columbia (Lonely Planet British Columbia & the Canadian Rockies) to make your reading is interesting. Your personal skill of reading ability is developing when you just like reading. Try to choose simple book to make you enjoy to read it and mingle the idea about book and looking at especially. It is to be initially opinion for you to like to open a book and learn it. Beside that the reserve Lonely Planet British Columbia (Lonely Planet British Columbia & the Canadian Rockies) can to be your friend when you're truly feel alone and confuse in what must you're doing of these time.
