**Media Career Guide: Preparing for Jobs in the 21st Century** By James Seguin

The guide to getting that first media job *Media Career Guide* provides students with all the information they need to prepare for and conduct a successful communication-related job search. The manual includes an overview of the employment prospects for today's student and provides a comprehensive directory of media jobs including positions in print, radio, broadcast, online, new media, and advertising. In addition, guidelines walk students through the entire process — from how to research an industry or company and writing resumes to preparing for interviews and appropriate on-the-job behavior — making this an ideal resource for students.
