Editorial Review

From the Back Cover

Right about now. You're worried about that big Biology quiz. Man, I hope I studied enough. Before it starts, you remind yourself: Psalm 32:8. And you aren't quite so stressed out about it because you know that God's there with you, no matter what. Phew. Glad that's over. Then there's lunch. After a slice of soggy pizza, some jerk steals your backpack with all your books and papers. @%#@%#! You're totally ticked and you sort of want to kick something, but right about now, you find yourself recalling—from out of the blue—2 Thes. 3.3, “But the Lord is faithful, and he will strengthen and protect you. . .” Wow, where'd that come from? Sound far-fetched? It is but it isn't. You see, that's why we have God's Word—to change our day-to-day lives. The verses you'll memorize really will change the way you live your life. So get the Bible off your shelf and in your heart—where it belongs.

Users Review

From reader reviews:

Dawne Feliciano:

The book Memorize This: TMS 3.0 gives you the sense of being enjoy for your spare time. You should use to make your capable far more increase. Book can being your best friend when you getting pressure or having big problem together with your subject. If you can make looking at a book Memorize This: TMS 3.0 being your habit, you can get considerably more advantages, like add your personal capable, increase your knowledge about several or all subjects. You can know everything if you like available and read a reserve Memorize This: TMS 3.0. Kinds of book are a lot of. It means that, science e-book or encyclopedia or other folks. So , how do you think about this e-book?

Richard Reid:

Spent a free the perfect time to be fun activity to do! A lot of people spent their sparetime with their family, or their own friends. Usually they performing activity like watching television, going to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Might be reading a book could be option to fill your totally free time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to test look for book, may be the reserve untitled Memorize This: TMS 3.0 can be fine book to read. May be it might be best activity to you.

Peter Pitts:

Your reading 6th sense will not betray you actually, why because this Memorize This: TMS 3.0 reserve written by well-known writer who knows well how to make book that may be understand by anyone who also read the book. Written throughout good manner for you, dripping every ideas and composing skill only for eliminate your current hunger then you still question Memorize This: TMS 3.0 as good book not simply by the cover but also with the content. This is one guide that can break don't determine book by its include, so do you still needing another sixth sense to pick this particular!? Oh come on your examining sixth sense already said so why you have to listening to yet another sixth sense.

David Ashworth:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's internal or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Memorize This: TMS 3.0 can make you feel more interested to read.
