Poison Apple #1: The Dead End By Mimi McCoy

Poison Apple Books: Thrilling. Bone-chilling. These books have bite! Casey Slater can't believe her bad luck. It's the summer before seventh grade, and instead of the perfect vacation she'd planned with her best friend, Casey is in a remote country town, where her parents are restoring an old, creaky, creepy house. Worst of all, everyone else in town thinks the old house is haunted. And soon Casey thinks so, too -- a vase explodes, a heavy china cabinet falls over on its own -- and it seems like the ghost doesn't want them there. Casey thought she'd be dying of boredom, but now she's scared to death!

Editorial Review

Users Review

From reader reviews:

Reginald Hunter:

Book is actually written, printed, or outlined for everything. You can realize everything you want by a reserve. Book has a different type. As it is known to us that book is important issue to bring us around the world. Next to that you can your reading proficiency was fluently. A guide Poison Apple #1: The Dead End will make you to be smarter. You can feel much more confidence if you can know about every thing. But some of you think in which open or reading some sort of book make you bored. It is not make you fun. Why they could be thought like that? Have you in search of best book or acceptable book with you?

Sheryl Vaughan:

In this 21st one hundred year, people become competitive in each and every way. By being competitive now, people have do something to make all of them survives, being in the middle of often the crowded place and notice simply by surrounding. One thing that often many people have underestimated the item for a while is reading. Yep, by reading a guide your ability to survive boost then having chance to endure than other is high. For you who want to start reading the book, we give you this kind of Poison Apple #1: The Dead End book as starter and daily reading reserve. Why, because this book is usually more than just a book.

Harold Morris:

Is it you who having spare time in that case spend it whole day by watching television programs or just lying down on the bed? Do you need something totally new? This Poison Apple #1: The Dead End can be the respond to, oh how comes? A fresh book you know. You are and so out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these guides have than the others?

Evelyn Broderick:

In this era which is the greater man or woman or who has ability in doing something more are more valuable than other. Do you want to become among it? It is just simple way to have that. What you need to do is just spending your time very little but quite enough to experience a look at some books. Among the books in the top checklist in your reading list is definitely Poison Apple #1: The Dead End. This book which can be qualified as The Hungry Inclines can get you closer in becoming precious person. By looking upward and review this publication you can get many advantages.
