Rage: An Alex Delaware Novel By Jonathan Kellerman

NEW YORK TIMES BESTSELLER

Troy Turner and Rand Duchay were barely teenagers when they murdered a younger child. While Troy died violently behind bars, the hulking, slow-witted Rand managed to survive his stretch. Now, at age twenty-one, he's emerged a haunted, rootless man with a pressing need: to talk—once again—with psychologist Alex Delaware. But when Rand's life comes to a brutal end, his words die with him.

LAPD homicide detective Milo Sturgis suspects that either karma or revenge caught up with Rand, but Delaware's suspicions run darker. As Delaware and Sturgis retrace their steps through a grisly murder case that devastated a community, they discover madness, suicide, and even uglier truths waiting to be unearthed. And the nearer they come to understanding an unspeakable crime, the more harrowingly close they get to unmasking a monster hiding in plain sight.

BONUS: This edition contains an excerpt from Jonathan Kellerman's *Guilt*.

Editorial Review

From Publishers Weekly

Psychologist Dr. Alex Delaware stars again after playing second fiddle to Hollywood homicide detective Petra Connor in last year's *Twisted*. It's been eight years since Alex provided a psychiatric evaluation of two teenagers, Troy Turner and Rand Duchay, who confessed to abducting and killing a two-year-old girl. Troy is now dead, murdered in prison, and Rand has been released—and he promptly calls Alex to tell him he has some important information. Alex agrees to a meeting, but Rand's not where he said he'd be; shortly thereafter he's found dead. Kellerman always fashions fiendishly complicated cases, both literally and psychologically, for Alex to unravel, and this one is no different. During the course of the investigation, he and longtime pal L.A. police lieutenant Milo Sturgis encounter a host of wayward children, a foster family from hell, infidelities that have to be charted to be kept straight and a serial killer who's the exact opposite of the genre's usual madman slasher but just as deadly. The action occurs mostly in the calculating brains of the two detectives as they turn and sift evidence piece by piece, working every angle until they finally come up with a coherent picture. It's an impressive piece of detection, and readers who enjoy watching the delicate untangling of a Gordian knot-like plot will find this one a winner. (*May*)

It has been eight years since two-year-old Kristal Malley was brutally murdered by two young teenage boys, and Alex Delaware has pushed his role in the drama out of his mind. Then a phone call from one of the boys, Rand Duchay, now released at age 21, brings the sad, sordid circumstances back. When Rand is found murdered--with Delaware's phone number in his pocket--the cops come knocking, in the person of Delaware's friend, Lieutenant Milo Sturgis. Delaware and Sturgis take on the familiar roles of compatriots in crime solving, as they try to determine if Kristal's murder has any bearing on Rand's death. Before they can figure that out, though, they must slash their way through a morass of lies, abuse, and dirty secrets, which envelop nearly everyone involved in the original tragedy. There's less suspense here than in some of Kellerman's past Delaware novels; Alex and Milo spend a great deal of time swapping theories in the kitchen, in the car, and at restaurants, methodically piecing together gossamer-thin trails of evidence. But there's still enough surprise along the way to keep things interesting, especially at the close, when both Delaware and Sturgis face a moral quandary with which readers will sympathize. Less action, more substance for Kellerman fans. *Stephanie Zvirin*

Review

PRAISE FOR JONATHAN KELLERMAN

THERAPY

“Labyrinthine twists, excellent pacing, and hard-boiled, swaggering dialogue.”

—The Washington Post

“Immensely enjoyable . . . there’s even a shocking surprise.”

—Associated Press

“A tight, engaging . . . brainteaser.”

—New York Daily News

THE CONSPIRACY CLUB

“An unnerving, highly cinematic plot . . . [Kellerman has] headed off into different terrain . . . with striking success.”

—JANET MASLIN, *The New York Times*

“[Kellerman] keeps the creepiness coming until the big-twist finish.”

—People

“Turn the page and you’re hooked.”

—The New York Times Book Review

From the Hardcover edition.

Users Review

From reader reviews:

Winston Nakashima:

As people who live in often the modest era should be revise about what going on or details even knowledge to make these people keep up with the era that is always change and move ahead.
