Ariadne auf Naxos in Full Score (Dover Music Scores) By Richard Strauss, Opera and Choral Scores

One of the composer's most highly regarded operas, with a libretto by Hugo von Hoffmannsthal that artfully intermingles backstage comedy, the lofty emotions of Greek mythology and the merry pranks of a troupe of commedia dell'arte players. Strauss endowed these antic proceedings with a luminous score that combines music of great satiric wit with breathtaking flights of lyricism. Reprinted from the definitive full-score edition published by Adolph Furstner following the opera's 1916 premiere at the Vienna State Opera.

Editorial Review

Amazon.com Review

Ariadne auf Naxos is a very funny opera that is replete with moments of great depth and beauty, written in Richard Strauss's best *fin de siècle* mode. It could only take place in the 18th century, when flighty aristocrats were the chief patrons of the arts and *opera seria* was the reigning form; it could only have been written in the 20th. Strauss was a master of orchestration, explore what he did and how with the full score. (But bear in mind that a full score is not usually the best one for a singer to learn or use while staging an opera.) This is a Dover score, which means that it's a reprint of an older German original, at a very reasonable price.

About the Author

A leading composer of the late Romantic and early modern eras, Richard Strauss (1864–1949) is known for his operas (*Der Rosenkavalier* and *Salome*), Lieder, tone poems, and orchestral works.

Users Review

From reader reviews:

Kenneth Vargas:

As people who live in typically the modest era should be up-date about what going on or info even knowledge to make them keep up with the era that is certainly always change and make progress.
