Basic Business Statistics Student Value Edition Plus NEW MyStatLab with Pearson eText -- Access Card Package (13th Edition) By Mark L. Berenson, David M. Levine, Kathryn A. Szabat

Books a la Carte are unbound, three-hole-punch versions of the textbook. This lower cost option is easy to transport and comes with same access code or media that would be packaged with the bound book.

Statistics is essential for all business majors and this text helps students see the role statistics will play in their own careers by providing examples drawn from all functional areas of business. Guided by principles set by major statistical and business science associations (ASA and DSI), plus the authors' diverse teaching experiences, the **Thirteenth Edition** of Berenson/Levine/Szabat's **Basic Business Statistics** continues to innovate and improve the way this course is taught to all students.
