Editorial Review

About the Author

Lynsay Sands is the nationally bestselling author of the Argeneau/Rogue Hunter vampire series, as well as numerous historicals and anthologies. She's been writing since grade school and considers herself incredibly lucky to be able to make a career out of it. Her hope is that readers can get away from their everyday stress through her stories, and if there are occasional uncontrollable fits of laughter, that's just a big bonus. Please visit her on the web at lynsaysands.net.

Since she was a kid, Jaime Rush devoured books on unexplained mysteries and psychic phenomena. She knew she would be published, marry a fabulous guy, and win a Toyota Supra. Missing the romance, relationship drama, and action of her favorite television shows—*X-Files*, *Roswell*, and *Highlander*—she created her own mix in the *Offspring* series.

When *New York Times* bestselling author Pamela Palmer's initial career goal of captaining starships didn't pan out, she turned to engineering, satisfying her desire for adventure with books and daydreams, until finally succumbing to the need to create worlds of her own. Pamela lives and writes in the suburbs of Washington, D.C.
