Crisscross: A Repairman Jack Novel (Adversary Cycle/Repairman Jack Book 8) By F. Paul Wilson

Repairman Jack is back! An anonymous mercenary, with no last name and no social security number, Jack has thrilled a veritable army of readers ever since his bestselling debut in *The Tomb*. Jack can fix any problem, supernatural or otherwise, for a price. Now, in his latest gripping adventure, he takes on two cases at once.

The first involves a nun being blackmailed by someone who has photos of her she doesn't want made public. What's in those photos, she won't say, but with her meager savings just about exhausted, she hires Jack to help her.

The second seems straightforward enough, as an elderly woman hires Jack to find her missing son. But to locate his quarry, Jack must infiltrate the inner reaches of the Dormentalist Church, a secretive, globe-spanning cult whose members include some of the biggest and most powerful names in entertainment, sports, and politics. Ruthless in its pursuit of critics and enemies, the Church hides a sinister agenda known only to its ruling elite.

But Jack can be ruthless, too, going to darker lengths than ever before as he crisscrosses the two fix-it jobs to settle the deadliest of scores!

Editorial Review

From Publishers Weekly

The eighth novel in Wilson's Repairman Jack saga pulses with the usual entertaining mix of pulp heroics and supernatural thrills. Jack, a private vigilante-for-hire who flies below the radar of legitimate law enforcement, is aware that he and his crime-fighting opponents are merely human pawns in a timeless cosmic battle waged by entities of "Otherness" known as the Ally and the Adversary. This time, his exploits involve infiltrating the Dormentalists, a shady pseudoreligion that, under megalomaniacal poobah Luther Brady, has grown into a wealthy worldwide cult with vicious instincts for self-preservation. Although warned at the end of *Gateways* (2003) that "there will be no more coincidences," Jack is stunned to discover that some of the hokiest elements of Dormentalist doctrine eerily echo aspects of the Adversary's malignant design for universal dominance. Suspense escalates through an intersecting subplot involving a blackmailed Catholic nun and appearances by girlfriend Gia, whose difficult pregnancy increasingly portends a strange destiny for Jack. The body count is high, the deaths are uncommonly brutal and the ever-capable Jack is more fallible than usual. But readers who identify with Jack's clients and their need to believe that justice is still possible in a corrupted world will find this all the more reason to sympathize with a hero who achieves both greater humanity and epic stature with each new adventure.

Review

"Fans who prefer Wilson's medical thrillers, like *Sims*, will nonetheless find delight here." *Kirkus Reviews on Crisscross*

"There are some writers who, once they settle into an ongoing character, become complacent and happily just write and rewrite the same two or three books over and over again. And then there's F. Paul Wilson, whose Repairman Jack series seems to get better as its hero gets closer and closer to his ultimate fate in Wilson's previous *Nightworld*...Wilson never lets the pacing lag, using short and punchy chapters to keep the reader turning the page...*Crisscross* is a new addition to the rich mythology of Repairman Jack. If you haven't made the acquaintance of wither Wilson or his signature character, here's a terrific place to start. And if you have, *Crisscross* is another great adventure into inner-city weirdness." *Fangoria*

"Repairman Jack novels are always fun to read, but this thriller, though also quite entertaining and exciting, is much darker than usual. He solves the nun's problem, but the results are not what he or she expected forcing him to take an amoral position with the blackmailer. The Brady problem is simply world threatening. For those who know Jack will know that F. Paul Wilson provides another fantastic reading experience." *Futures Mystery Anthology Magazine on Crisscross*

"Good stuff, with a nasty twist at times, and Jack's usual efficient methods of correction." *Chronicle*

About the Author

F. Paul Wilson is the New York Times bestselling author of the Repairman Jack novels and winner of the Horror Writers Association Lifetime Achievement Award. He lives in Wall, New Jersey.

Users Review

From reader reviews:

James Vazquez:
