**The Divine Conspiracy: Rediscovering Our Hidden Life in God** By Dallas WILLARD

A renowned teacher and writer of the acclaimed *The Spirit of the Disciplines*, Dallas Willard, one of today's most brilliant Christian thinkers now offers a timely and challenging call back to the true meaning of Christian discipleship. In *The Divine Conspiracy*, Willard gracefully weaves biblical teaching, popular culture, science, scholarship, and spiritual practice into a tour de force that shows the necessity of profound changes in how we view our lives and faith.

## **Editorial Review**

### **Amazon.com Review**

Dallas Willard, an acclaimed theologian and professor of philosophy at the University of Southern California, fulfills the longing of many Christians who want to live as true disciples of Christ rather than distant dabblers. Likewise, he scoffs at consumer Christians who are simply banking on admittance to heaven as their payoff for attending church. Or worse still, those who use Christianity to advance their political agendas rather than their spiritual ones. But this is not a scolding book. Rather, Willard devotes his efforts to discussing specific and inspiring ways to develop a discipleship to Jesus--not as an act of sacrifice or even one of spiritual luxury--instead, as everyday people committed to the teachings of Christ. "The really good news for Christians is that Jesus is now taking students in the master class of life," writes Willard. "So the message of and about him is specifically a gospel for our life now, not just for dying. It is about living now as his apprentices in kingdom living, not just as consumers of his merits." --*Gail Hudson*

### **From Library Journal**

Willard (philosophy, Univ. of Southern California) considers popular Christian belief to be missing out on the essence and origin of its true meaning. Since "consumer Christianity" mistakes the logo for the logos, today's brand-name Christians have jumped on a bandwagon that has run off without its true leader. The imitation of Christ has lost its central importance in Christianity, according to Willard. He examines reasons why this is so and sets out a detailed plan for reawakening such commitment, which requires a genuine willingness to die to self in contrast with mere consumption of Jesus' merits as an insurance against death. Willard's passionate insights are thoroughly argued, though not all may agree with his curriculum for changing people's beliefs. Most suitable for pastoral collections.

### **Review**

"..IN SEARCH OF GUIDANCE and SPIRIT OF THE DISCIPLINES...These books along with the work of Richard Foster and other kindred souls, have already sparked a modest renewal movement ...But as good as they are, they do not prepare the reader for the power of Willard's new book. With THE DIVINE CONSPIRACY, , Willard joins the line of Thmas a Kempis, Luther, Fenelon, Brother Lawrence of teh Resurrection, Zinzendorf, Wesley, Frank Laubach, Dorothy Day, and other master apprentices of Jesus. ... What distinguishes THE DIVINE CONSPIRACY from many works in this gnre is an extraordinary combination of simplicity and depth. ... If you read only one book in 1999, make it this one." --*Christianity Today*

"This book belongs in the tradition of the great devotional classics. . . . The comprehensiveness of his study, its accessibility, its fervor, its freshness of phrasing, and its command of Scripture should prompt Christians to give this book serious attention. And it's a book that will help seekers better understand why Jesus continues to elicit the loyalty and commitment of people the world over." --*Christian Century*
