The Wicked Will Rise (Dorothy Must Die) By Danielle Paige

In this *New York Times* bestselling sequel to *Dorothy Must Die*, who is good—and who is actually Wicked? *The Wicked Will Rise* is perfect for fans of richly reimagined fairy tales and classic tales like Marissa Meyer's *Lunar Chronicles* and Gregory Maguire's *Wicked*.

My name is Amy Gumm—and I'm the *other* girl from Kansas. After a tornado swept through my trailer park, I ended up in Oz. But it wasn't like the Oz I knew from books and movies. Dorothy had returned, but she was now a ruthless dictator. Glinda could no longer be called the Good Witch. And the Wicked Witches who were left? They'd joined forces as the Revolutionary Order of the Wicked, and they wanted to recruit me.

My mission? Kill Dorothy. Except my job as assassin didn't work out as planned. Dorothy is still alive. The Order has vanished. And the home I couldn't wait to leave behind might be in danger.

Somehow, across a twisted and divided land, I have to find the Order, protect the true ruler of Oz, take Dorothy and her henchmen down—and try to figure out what I'm really doing here.

Editorial Review

From School Library Journal

Gr 9 Up—Still reeling from the events of *Dorothy Must Die* (HarperCollins, 2014), Amy Gumm is separated from her WICKED cohorts, including her would-be love interest, Nox the warlock. Having failed at assassinating evil Dorothy, the Kansas teen sets out on a quest to collect the Lion's courage and the Scarecrow's brains—magical items the Wizard has assured her will be Dorothy's undoing. With a semilucid Queen Ozma in tow, Amy travels to the Queendom of the Wingless Monkeys and the land of the Rainbows, making new allies while learning how to use her growing dark, witchy powers. When choosing between the greater good and saving her loved ones, the antiheroine realistically falters, giving this YA title believable heft. Action-packed scenes and snappy dialogue continue to amp the pace, and the body count mounts quickly, giving readers not much time or space to mourn for supposedly dear characters. An interesting take on sexuality and gender identity elevates the narrative, but inconsistent characterization, leaps of logic, and choppy text sometimes mar the reading experience. Still, a mysterious and nefarious connection to Kansas as the possible root of dark magic in Oz will have teens anxious for the next installment. **VERDICT** A cinematic work that Oz purists will balk at but reluctant readers will devour.—Shelley Diaz, School Library Journal

Review

PRAISE FOR DOROTHY MUST DIE: “Readers of Baum’s books will take special delight in seeing new twists on the old characters, and they will greet the surprise climactic turnabout with the smugness of insiders.” (Kirkus)

“Dorothy Must Die is kind of the ultimate in girl-powered literature. You’ve got empowered heroines, sure, but Paige also conjures a formidable villainess in Dorothy and some manipulative lady revolutionaries. Here, women and girls are allowed to be anything. This really is a woman’s world.” (Nerdist.com)

“Gone are the days of rainbows, Lollipop Guilds and pretty much anything to sing about in a major key. For those willing to go on a quest with a heroine more attuned to our times than the Dust Bowl era, there’s no place like it.” (USA Today)

“Debut author Paige doesn’t hold back in this fast-paced action novel. Give this cinematic upper-YA novel to fans of A. G. Howard’s *Splintered*, Frank Beddor’s *Looking Glass Wars*, and TV shows such as *Once Upon a Time* and *Grimm*.” (School Library Journal)

“Paige delivers a solid, intense, and strange narrative that draws deeply on its source material.” (Publishers Weekly)

“Paige is creating a rather brilliantly twisted version of the familiar world of Oz.” (Bulletin of the Center for Children’s Books)

“Paige has embellished upon the original Wizard of Oz story to create a completely new, even more bizarre Oz and cast of characters. Her world building is fascinating.” (Booklist)

“For anyone who likes a good story turned on its head, *Dorothy Must Die* is a must-read.” (Huffington Post)

“The Wizard of Oz as you’ve never seen it.” (Teen Vogue)

“This sequel doesn’t lose its momentum one bit...you’ll be begging for book three.” (PopCrush.com's "Best YA Books of 2015 (So Far!)")

“Paige’s world building is intriguing and effectively augments the original world created by L. Frank Baum.” (ALA Booklist)

From the Back Cover

My name is Amy Gumm—and I’m the other girl from Kansas.

After a tornado swept through my trailer park, I ended up in Oz. But it wasn’t like the Oz I knew from books and movies. Dorothy had returned, and she was stealing magic from the land. The Wizard was back, too. Even Glinda could no longer be called the Good Witch. And the Wicked Witches who were left? They had joined forces as the Revolutionary Order of the Wicked. They gave me a mission:

Kill Dorothy.

Except my job as assassin didn’t work out as planned. Dorothy is still alive. The Order has vanished. And the home I couldn’t wait to leave behind might be in danger.

Now, i have to:

FIND Dorothy,

DESTROY The Road of Yellow Brick,

SAVE my home.

The wicked will rise.

Users Review

From reader reviews:

Erin Weiss:

This book untitled The Wicked Will Rise (Dorothy Must Die) to be one of several books that best seller in this year, honestly, that is because when you read this publication you can get a lot of benefit in it.
