Implementing Cisco IP Telephony and Video, Part 2 (CIPTV2) Foundation Learning Guide (CCNP Collaboration Exam 300-075 CIPTV2) (3rd Edition) (Foundation Learning Guides)

By William Alexander Hannah, Akhil Behl

Implementing Cisco IP Telephony and Video, Part 2 (CIPTV2) Foundation Learning Guide (CCNP Collaboration Exam 300-075 CIPTV2) (3rd Edition) (Foundation Learning Guides) By William Alexander Hannah, Akhil Behl

Now fully updated for Cisco's new CIPTV2 300-075 exam, Implementing Cisco IP Telephony and Video, Part 2 (CIPTV2) Foundation Learning Guide is your Cisco® authorized learning tool for CCNP® Collaboration preparation. Part of the Cisco Press Foundation Learning Series, it teaches advanced skills for implementing a Cisco Unified Collaboration solution in a multisite environment.

The authors show how to implement Uniform Resource Identifier (URI) dialing, globalized call routing, Intercluster Lookup Service and Global Dial Plan Replication, Cisco Service Advertisement Framework and Call Control Discovery, tail-end hop-off, Cisco Unified Survivable Remote Site Telephony, Enhanced Location Call Admission Control (CAC) and Automated Alternate Routing (AAR), and important mobility features.

They introduce each key challenge associated with Cisco Unified Communications (UC) multisite deployments, and present solutions-focused coverage of Cisco Video Communication Server (VCS) Control, the Cisco Expressway Series, and their interactions with Cisco Unified Communications Manager.

Each chapter opens with a topic list that clearly identifies its focus, ends with a quick-study summary of key concepts, and presents review questions to assess and reinforce your understanding. The authors present best practices based on Cisco Solutions Reference Network Designs and Cisco Validated Designs, and illustrate operation and troubleshooting via configuration examples and sample verification outputs.

This guide is ideal for all certification candidates who want to master all the

topics covered on the CIPTV2 300-075 exam.

- Shows how to craft a multisite dial plan that scales, allocates bandwidth appropriately, and supports QoS
- Identifies common problems and proven solutions in multisite UC deployments
- Introduces best practice media architectures, including remote conferencing and centralized transcoding
- Thoroughly reviews PSTN and intersite connectivity options
- Shows how to provide remote site telephony and branch redundancy
- Covers bandwidth reservation at UC application level with CAC
- Explains how to plan and deploy Cisco Device Mobility, Extension Mobility, and Unified Mobility
- Walks through deployment of Cisco Video Communication Server and Expressway series, including user and endpoint provisioning
- Covers Cisco UCM and Cisco VCS interconnections
- Shows how to use Cisco UC Mobile and Remote Access
- Covers fallback methods for overcoming IP WAN failure
- Demonstrates NAT traversal for video and IM devices via VCS Expressway
- Introduces dynamic dial plan learning via GDPR, SAD, or CCD

Editorial Review

About the Author

William Alexander Hannah , CCIE Collaboration #25853, CCSI #32072, along with numerous other Cisco Unified Communications and data center specializations, and VMware certifications, has been an independent IT and telephony consultant, author, and tchnical editor for more than 12 years. He has been a technical trainer for more than 8 years and has taught more than 20 different courses for Cisco. Alex is a Senior Courseware Developer and Subject Matter Expert for Global Knowledge, designing all CCNP Collaboration courseware, labs, and infrastructure. He has done a wide array of IT and telephony consulting for many different companies along the eastern portion of the United States. A former Senior Architect and Senior Presales Engineer for two Cisco Gold Partners in the Southern Virginia area, Alex is now the principal owner of Hannah Technologies LLC, an IT consulting and training firm based in Midlothian, Virginia. Alex has implemented advanced IP telephony and video installations in his area for more than 12 years. When he is not working, he can be found on a boat, wakeboarding with friends and family. He can be reached at alex@hannahtechnologies.com .

Akhil Behl is a Pre-Sales Manager with a leading service provider. His charter involves an overarching technology portfolio encompassing IoT, collaboration, security, infrastructure, service management, cloud, and data center. He has 12+ years of experience working in leadership, advisory, business development, and consulting positions with various organizations; leading global accounts, driving toward business innovation and excellence. Previously, he was in a leadership role with Cisco Systems.

Akhil has a Bachelor of Technology degree in electronics and telecommunications from IP University, India, and a Master's degree in business administration from Symbiosis Institute, India. Akhil holds dual CCIE in Collaboration and Security, PMP, ITIL, VCP, TOGAF, CEH, ISO/IEC 27002, and many other industry certifications.

He has published several research papers in national and international journals, including IEEE, and has been a speaker at prominent industry forums such as Interop, Enterprise Connect, Cloud Connect, Cloud Summit, Cisco Sec-Con, IT Expo, Computer Society of India, Singapore Computer Society, and Cisco Networkers.

Akhil is the author of the following Cisco Press books:

- *CCIE Collaboration Quick Reference*
- *Securing Cisco IP Telephony Networks*
- *Implementing Cisco IP Telephony and Video (Part 1)*

He is a technical editor for Cisco Press and other publications. Akhil can be reached at akbehl@technologist.com .

Users Review

From reader reviews:

Susan Parker:

A lot of people always spent their very own free time to vacation or even go to the outside with them loved ones or their friend. Do you know? Many a lot of people spent that they free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity honestly, that is look different you can read the book. It is really fun to suit your needs. If you enjoy the book which you read you can spent all day long to reading a reserve. The book Implementing Cisco IP Telephony and Video, Part 2 (CIPTV2) Foundation Learning Guide (CCNP Collaboration Exam 300-075 CIPTV2) (3rd Edition) (Foundation Learning Guides) it is quite good to read. There are a lot of people that recommended this book. These were enjoying reading this book. In case you did not have enough space to develop this book you can buy typically the e-book. You can m0ore easily to read this book from a smart phone. The price is not too costly but this book provides high quality.

Rosemary Till:

People live in this new moment of lifestyle always aim to and must have the free time or they will get large amount of stress from both way of life and work. So , once we ask do people have time, we will say absolutely sure. People is human not just a robot. Then we request again, what kind of activity do you possess when the spare time coming to you actually of course your answer will unlimited right. Then do you try this one, reading textbooks. It can be your alternative with spending your spare time, the particular book you have read is usually Implementing Cisco IP Telephony and Video, Part 2 (CIPTV2) Foundation Learning Guide (CCNP Collaboration Exam 300-075 CIPTV2) (3rd Edition) (Foundation Learning Guides).

Brian Wallace:

This Implementing Cisco IP Telephony and Video, Part 2 (CIPTV2) Foundation Learning Guide (CCNP Collaboration Exam 300-075 CIPTV2) (3rd Edition) (Foundation Learning Guides) is new way for you who has fascination to look for some information since it relief your hunger of information. Getting deeper you in it getting knowledge more you know or perhaps you who still having little digest in reading this Implementing Cisco IP Telephony and Video, Part 2 (CIPTV2) Foundation Learning Guide (CCNP Collaboration Exam 300-075 CIPTV2) (3rd Edition) (Foundation Learning Guides) can be the light food to suit your needs because the information inside this particular book is easy to get by means of anyone. These books create itself in the form that is certainly reachable by anyone, yep I mean in the e-book contact form. People who think that in reserve form make them feel drowsy even dizzy this publication is the answer. So there is absolutely no in reading a e-book especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss it! Just read this e-book type for your better life as well as knowledge.

Donna Dalessio:

You will get this Implementing Cisco IP Telephony and Video, Part 2 (CIPTV2) Foundation Learning Guide (CCNP Collaboration Exam 300-075 CIPTV2) (3rd Edition) (Foundation Learning Guides) by visit the bookstore or Mall. Merely viewing or reviewing it could possibly to be your solve difficulty if you get difficulties on your knowledge. Kinds of this reserve are various. Not only by simply written or printed but in addition can you enjoy this book simply by e-book. In the modern era including now, you just looking by

your mobile phone and searching what your problem. Right now, choose your own ways to get more information about your guide. It is most important to arrange you to ultimately make your knowledge are still up-date. Let's try to choose appropriate ways for you.
