### Last Man Standing By David Baldacci

Web London was trained to penetrate hostile ground and come out alive. Then ten seconds in a dark alley cost him everything: his friends, his fellow agents, his reputation. Among his super-elite FBI Hostage Rescue Team, Web was the sole survivor of a high-tech, devastating ambush. Now Web is trying to put his life back together and understand what really happened. To get answers, he'll need the help of psychiatrist Claire Daniels and the one other human being who lived through the attack - a ten-year-old boy. But when his search leads him back to that bloodstained alley, Web suddenly realizes he is about to face his assassin again. And this time, one of them will become the Last Man Standing.

## **Editorial Review**

### **Amazon.com Review**

*Last Man Standing* has the essential elements of a terrific David Baldacci novel: a tough but tender-hearted hero, dirty dealings in the nation's bureaucracy, and a roller-coaster plot. Web London, a member of the FBI's Hostage Rescue Team, froze up on a drug raid and thus became the sole survivor of a remote-controlled ambush that killed six of his compatriots. Now the only witness has disappeared and the inside man on the botched raid has gone underground.

As a pretty psychiatrist puzzles over the corners of Web's brain that kept him alive, Web himself stays on the move. He's certain that the ambush is connected to the prison escape of a neofascist leader, Ernest B. Free, whom he helped arrest five years earlier, and a series of new murders leads him to a Virginia horse farm and the driving force behind all the carnage. It may seem as though Baldacci gives away the mastermind too soon, but both the bad guys and the good guys are complex enough that there's plenty of punch all the way to the last page. --*Barrie Trinkle*

### **From Publishers Weekly**

Last year's *Wish You Well*, a historical family drama set in rural Virginia, proved that Baldacci, previously known for his thrillers (particularly his debut, *Absolute Power*), can do much more than supply maximum suspense. His latest is another exciting thriller, but one that hasn't forsaken the ambitions of *Wish You Well*, plumbing the emotions and exploring the shadings of human nature in an impressive way. And for the first time, Baldacci has created characters that readers will demand to see back in a sequel. He has chosen an immensely interesting subject: the (real-life) FBI Hostage Rescue Team, a force so elite that many of the Seals, Delta Force grads and other special ops who apply to it don't make the cut. Baldacci's hero is hostage rescue team superstar Web London, who inexplicably (to himself and others) freezes during an operation that leaves the rest of his team dead; hence, the book's title. Web's investigation into the massacre involves him with several bands of criminals, most notably a white supremacist terrorist cell, a gang of D.C. drug peddlers headed by a charismatic giant, and a secret group involved in both terror and drug activities. At the same time, Web's exploration into why he froze leads him to psychoanalysis and hypnosis, to budding romance and, ultimately, to revelations that tie together all the strands and questions of the immensely complicated plot. This is Baldacci's most accomplished thriller. The action, conspiratorial and overt, shifting from urban to rural and back, is nearly nonstop and expertly drawn; heroes and villains alike are believable and equally flawed; and there's a newfound maturity of tone here, a somber acceptance of the suffering that necessarily attends human life. (On-sale Nov. 6) Forecast: The American flag waving on the book's cover will draw readers' eyes; the strong title and the Baldacci name will carry them to the cash register. Expect hefty sales. Simultaneous audio cassette (abridged and unabridged), audio CD (abridged) and large-print editions.

### **From Library Journal**

After a brief sojourn into historical fiction, Baldacci is back in the thriller mode. When his FBI Hostage Rescue Team is ambushed, sole survivor Web London has to prove his innocence.
