### Morgawr (The Voyage of the Jerle Shannara, Book 3) By Terry Brooks

*New York Times* bestselling author Terry Brooks became the master of epic fantasy with the publication of his legendary debut, *The Sword of Shannara*. Since then, each new novel in the Shannara saga has brilliantly built upon and deepened the world of breathtaking magic, adventure, and intrigue he created. In *The Voyage of the Jerle Shannara*—his third enchanting series—he literally took his legions of loyal readers soaring to new heights as a colorful contingent of characters took to the skies aboard a magnificent airship on a quest fraught with wonder and danger.

Now in *Morgawr*, the quest at last draws to its climactic conclusion, as the forces of good and evil vying against each other to possess an ancient magic race towards an explosive clash—and whatever fate awaits the victor . . . and the vanquished. Harrowing confrontations with the merciless Ilse Witch and the monstrous Antrax have already taken their toll on the intrepid heroes of the Four Lands. But their darkest adversary now snaps at their heels, in the form of the Morgawr—master of the Ilse Witch, feeder upon the souls of his enemies, and centuries-old sorcerer of unimaginable might.

With a fleet of airships and a crew of walking dead men at his command, the Morgawr is in relentless pursuit of the *Jerle Shannara* and the crew that mans her. For the Morgawr, the goal is two fold: to find and control the fabled ancient books of magic, and to destroy the dark disciple who betrayed him—the Ilse Witch. But the Ilse Witch is already a prisoner . . . of herself. Exposed to the awesome power of the Sword of Shannara, and forced to confront the truth of her horrifying deeds, she has fled deep into her own mind. Now at the mercy of those who seek vengeance against her, her only protector is her long-lost brother, Bek Ohmsford, who is determined to redeem his beloved sister . . . and deliver her to the destiny predicted for her by the Druid Walker Boh.

Once again, Terry Brooks weaves together high adventure, vividly wrought characters, and a spellbinding world into an irresistible story of heroism and sacrifice, love and honor. In *Morgawr*, fans of the Shannara mythos will find both a satisfying finale and the promise of new wonders yet to come.

### Editorial Review

From Publishers Weekly

This last installment of the Voyage of the Jerle Shannara trilogy, which chronicles the exploits of the remaining adventurers who set out in *Ilse Witch* (2000) and staggered through the tribulations of *Antrax* (2001), may not be up to the standard of bestseller Brooks's early work (*Sword of Shannara*, etc.), but it proves once again that he puts out books that sell because of their quality, not just because of his name on the cover. As newfound mage Bek Ohmsford and his cousin Quentin Leah rejoin the Free Rover crew of the Jerle Shannara after destroying *Antrax*, tensions mount, for the *Ilse Witch* the Rovers' mortal enemy has been revealed to be Bek's sister, Grianne, and is now under his protection as she struggles to break out of the catatonic state induced by her encounter with the Sword of Shannara. Worse, the Druid Walker Boh has died, leaving behind only cryptic instructions to those who followed him into Parkasia, and the Morgawr, who trained the *Ilse Witch* and now seeks her destruction, has captured elven prince Ahren Elesedil and Ryer Ord Star and is using Ryer's talents as a seer to track the Jerle Shannara and those who ride it. As usual, Brooks leaves at least as many loose ends as he ties up and drops in several surprises. Some references won't mean much to someone unfamiliar with this trilogy or the larger Shannara time line, but otherwise the book's neat and subtle exposition makes it quite accessible to new readers without alienating current fans. Neither groundbreaking nor recycled, this book is simply a good read.

From Library Journal

The fiendish creature known as the Morgawr commands a fleet of airships crewed by mindless creatures who were once men. Her goal: to find and destroy the *Ilse Witch* and any who try to lend her aid. As the survivors of the Morgawr's attack flee aboard the Jerle Shannara, they realize that they must inevitably confront their foe once and for all. Brooks's conclusion to the "Jerle Shannara" trilogy features characters from previous Shannara series as well as compelling new individuals whose tales hint at more adventures to come.

Libraries should expect patron demand for this well-constructed and engagingly written series.

From [Booklist](#)

Brooks concludes the Voyage of the Jerle Shannara, the trilogy begun in *Ilse Witch* (2000) and continued in *Antrax* (2001), with a ripsnorter that leaves the door ajar for the next trilogy he has planned. The evil Morgawr, who created the *Ilse Witch*, commands a fleet of airships, crewed by walking dead men, on a journey to destroy the witch before she betrays him. Of the group that the druid Walker led on the voyage to Castledown, those still alive--some of them sorely wounded--are scattered across the land, and the warship *Jerle Shannara* is undergoing needed repairs when the Morgawr's fleet approaches. Thereafter the action is fast and furious, and the focus alternates among the various survivors and their harrowing experiences trying to escape the vicious predators unleashed by the Morgawr. The dying Walker enjoins Bek and the shape-changer Truls Rohk to protect the *Ilse Witch*, who has been catatonic since the Sword of Shannara forced her to confront what she had done and become. According to Walker, she, not their original target, is the real reason for the *Jerle Shannara's* voyage. Eventually, a few survivors come together to outwit the Morgawr temporarily and flee aboard the *Jerle Shannara*. The damaged warship makes it only as far as a mysterious island guarded by a sleeping power. There the climactic battle between the Morgawr and the *Ilse Witch*, conscious again and contrite, takes place. In all aspects, a fitting conclusion to one trilogy and a promising taking-off point for another. *Sally Estes*
