Editorial Review

Review

"The illustrations were excellent and did add to the readability and understanding of the content. The manner with which the author tried to involve the reader with the content was also very good. It is a very well-presented book, and published and printed to a very high standard." **BMA Book Awards 2009 - judges comments**

Users Review

From reader reviews:

Helen Turner:

Now a day those who Living in the era everywhere everything reachable by connect with the internet and the resources within it can be true or not need people to be aware of each facts they get.
