Son of the Shadows (The Sevenwaters Trilogy, Book 2) By Juliet Marillier

Son of the Shadows, the second book in Juliet Marillier's award-winning Sevenwaters Trilogy

Beautiful Sorchia is the courageous young woman who risked all to save her family from a wicked curse and whose love shattered generations of hate and bridged two cultures. It was by her sacrifice that the spell was broken and her brothers were finally brought home to Sevenwaters. But not all her brothers were able to escape the spell that transformed them into swans, and even those who did were more-and less-than they were before the change.

It is left to Sorchia's daughter, Liadan, to fulfill the destiny of the Sevenwaters clan. Beloved child and dutiful daughter, she embarks on a journey that opens her eyes to the wonders of the world around her . . . and shows her just how hard-won was the peace that there are forces far darker than anyone could have guessed and ancient powers conspiring to destroy this family's peace--and their world.

She will need all of her strength to stand up to those she loves best, for in the finding of her own true love, Liadan's course may doom them all . . . or may be their salvation.

Editorial Review

Amazon.com Review

Second of the Sevenwaters trilogy of novels about the last days of heroic Ireland, *Son of the Shadows* takes up the story of the children of Sorchá, who saved her enchanted brothers, and Hugh, the Briton she married. Sorchá's daughter Liadan is a gifted seer and healer who thinks, in spite of her visions, that she knows what the future has in store for her--caring for her dying mother and then an alliance marriage to Eamonn. A chance meeting on the road carries her off to care for a dying man--one of the mercenaries of the sinister Painted Man, Eamonn's archenemy and a killer for hire. Liadan discovers that she cannot choose whom she loves and that she and the Painted Man are as bound up in destiny as her mother and father were before her.

This is an intelligent historical romance in which the supernatural is a part of the character's everyday lives to an extent that makes it hard to think of the book as specifically a fantasy--these are people to whom the beings of forest speak on a regular basis and to whom sorcery is real. --Roz Kaveney, *Amazon.co.uk*

From Publishers Weekly

Druidic Erin (Ireland) is a place teeming with fairies and earth magic. But this compelling story is not a tale of the fey it is a tale of one who lives in the world of humans and yet has contact with the otherworld. Liadan of Sevenwaters is the child of Iubdan and Sorchá (whose story was told in *Daughter of the Forest*) and she is granted the power to hear and see what others cannot. She is a healer of mind, body and spirit. It is Liadan's gift of healing that brings about a meeting with a mercenary considered to be the enemy of her family. Liadan names this man without a name or history "Bran" and soon realizes that the information she has been told about him (and the world in general) is not what it appears to be. In too short a time, Liadan comes to love Bran with a fierceness that she never imagined possible, and yet their love cannot be fulfilled. Bran's life is not her life, nor is her life his. They must travel down different paths (at least for a while), knowing in their hearts that the bond between them is stronger than the things that pull them apart. This is the story of a powerful love, which might change the course of history for Liadan's people and the island of Erin. Beautifully written, the second in the Sevenwaters trilogy continues a sparkling saga of a family whose destiny is to help free Erin from British tyranny. The story, though a bit light on the magic and heavy on the romantic, is reminiscent of Jennifer Roberson's Chesuli series. Fantasy addicts should love it.

From Library Journal

In this work's prequel, *Daughter of the Forest*, Sorchá saved her brothers from a curse that turned them into swans. Now, it is her daughter Liadan's turn to leave her home in peaceful Sevenwaters in search of her destiny. A world of druids and shapechangers, Fair Folk and foul monsters draws Liadan deeper into danger as she battles to save her family and her home. Marillier blends old legends with original storytelling to produce an epic fantasy that belongs in most libraries.

Users Review

From reader reviews:

Kimberly Hopkins:

Playing with family in a park, coming to see the water world or hanging out with buddies is thing that usually you could have done when you have spare time, then why you don't try issue that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Son of the Shadows (The Sevenwaters Trilogy, Book 2), you are able to enjoy both. It is great combination right, you still would like to miss it? What kind of hang type is it? Oh come on its mind hangout men. What? Still don't obtain it, oh come on its known as reading friends.

Todd Jacob:

This Son of the Shadows (The Sevenwaters Trilogy, Book 2) is great publication for you because the content which can be full of information for you who also always deal with world and have to make decision every minute. That book reveal it information accurately using great organize word or we can say no rambling sentences included. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with wonderful delivering sentences. Having Son of the Shadows (The Sevenwaters Trilogy, Book 2) in your hand like obtaining the world in your arm, information in it is not ridiculous a single. We can say that no book that offer you world inside ten or fifteen second right but this book already do that. So , this is good reading book. Hello Mr. and Mrs. busy do you still doubt that?

Dena Jacobs:

What is your hobby? Have you heard which question when you got learners? We believe that that query was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person just like reading or as reading become their hobby. You must know that reading is very important as well as book as to be the thing. Book is important thing to provide you knowledge, except your current teacher or lecturer. You see good news or update in relation to something by book. Numerous books that can you choose to use be your object. One of them is Son of the Shadows (The Sevenwaters Trilogy, Book 2).

Helen Albertson:

Many people said that they feel fed up when they reading a reserve. They are directly felt this when they get a half elements of the book. You can choose the actual book Son of the Shadows (The Sevenwaters Trilogy, Book 2) to make your own personal reading is interesting. Your own personal skill of reading talent is developing when you including reading. Try to choose simple book to make you enjoy to study it and mingle the impression about book and looking at especially. It is to be initial opinion for you to like to open up a book and learn it. Beside that the book Son of the Shadows (The Sevenwaters Trilogy, Book 2) can to be your brand-new friend when you're feel alone and confuse with what must you're doing of these time.
