Specific Learning Difficulties - What Teachers Need to Know By Diana Hudson

This book clearly explains what Specific Learning Difficulties (SpLD) are, and describes the symptoms of conditions most commonly encountered in the mainstream classroom: dyslexia, dyspraxia, dyscalculia, dysgraphia, Autism Spectrum Disorder, ADHD, and OCD. The author provides an overview of the strengths and weaknesses commonly associated with each of these conditions, as well as practical suggestions for modifying teaching materials and methods to make learning enjoyable, effective and accessible for students. There are also dedicated chapters on helping students with SpLDs to develop effective revision skills and exam techniques.

This straight-talking and accessible guide is ideal for teachers, teaching assistants, and those in school management who want to know more about supporting students with Specific Learning Difficulties.

Editorial Review

Review

A wealth of practical tips to help teachers support children with Specific Learning Difficulties. Diana Hudson explains what the challenges are, how they affect learning and provides simple strategies for the classroom. This book should be compulsory reading for all teachers, TAs, and parents will find it useful too.

-- Alison Thompson, author of *The Boy From Hell: Life with a Child with ADHD* and founder of ADHD kids

This book should be in every staffroom library. No matter how aware one is about Specific Learning Difficulties, this publication gives a very sound reminder of the many ways they manifest and how they impinge on the whole life of the pupil. Di Hudson's plain speaking, practical narrative matches the simplicity with which she encourages teachers to be positive and create active solutions to support and facilitate.

-- Bex Tear, Head, Badminton School

Di Hudson's book, with its practical and common sense approach to specific learning difficulties, is ideal in helping the busy, overworked class teacher to understand the needs of students with SpLD and also enables them to find workable strategies to help all students reach their full potential

-- Louise Green, MSc in Human Communications, RSA Dip in SpLD, Cert. Ed, APC (Patoss), TPC (Patoss)

Diana Hudson's book is a superb resource for a wide range of professionals. She has skilfully distilled a complex subject area, into an extremely enjoyable and readable resource. The simple and extremely practical approach to the child as well as the teaching environment will be of enormous help to all teachers.

-- Dr Bruce R. Clark, Consultant Child and Adolescent Psychiatrist, National and Specialist OCD, BDD and Related Disorders Clinic

This is a simple and effective guide written by a specialist teacher who is keen to pass on her wealth of experience to other teachers, and would make a useful addition to any staffroom library.

-- Olivera Raraty, Senior Deputy gsa - gsa.uk.com

The book is intended for those working in the secondary sector and is a practical guide to teaching more effectively. It also serves as a very useful reference book that would be of value to those in teacher training and other professionals.

Isaiah Owen:

Have you spare time to get a day? What do you do when you have considerably more or little spare time? That's why, you can choose the suitable activity regarding spend your time. Any person spent all their spare time to take a move, shopping, or went to typically the Mall. How about open or perhaps read a book called Specific Learning Difficulties - What Teachers Need to Know? Maybe it is to get best activity for you. You know beside you can spend your time using your favorite's book, you can better than before. Do you agree with it is opinion or you have different opinion?

Mary Gilbert:

A lot of people always spent their particular free time to vacation or perhaps go to the outside with them loved ones or their friend. Did you know? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity that's look different you can read some sort of book. It is really fun in your case. If you enjoy the book that you just read you can spent all day every day to reading a guide. The book Specific Learning Difficulties - What Teachers Need to Know it is very good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. In the event you did not have enough space to deliver this book you can buy the actual e-book. You can more easily to read this book from your smart phone. The price is not to fund but this book has high quality.

Sandra Lester:

Is it anyone who having spare time then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something totally new? This Specific Learning Difficulties - What Teachers Need to Know can be the respond to, oh how comes? It's a book you know. You are and so out of

date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these books have than the others?

Jesus Moreno:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Specific Learning Difficulties - What Teachers Need to Know can make you feel more interested to read.
