## Unlimiting God: Increasing Your Capacity to Experience the Divine By Richard Blackaby

People have their limits. Some choose to ignore them.

God's power and love have no limits. So why do Christians put limits on their relationship with Him? We could be pursuing greater knowledge, experiencing deeper intimacy, and abiding in freer joy... and yet we routinely settle for mediocrity in our spiritual lives.

But if you are ready to explode your self-imposed limits, Dr. Richard Blackaby can guide you through powerful and passionate insights revealed in this new book.

By contrasting mediocrity with the spirituality of the great "heroes of the faith," Dr. Blackaby shows you that you need not settle for less than God intends for you. God can do extraordinary things through ordinary people like you...but only when you allow Him to enlarge your spiritual capacity and overcome your self-imposed limits.

*"I hope this book inspires you to aim for a new level of walking with God. I want you to reach heights in your spiritual life that you never dreamed were possible, to experience God working through your life in a powerful new dimension, to hear words from God that will dramatically change your life and your world. I want to help you blow past any limitations you have set for yourself in your Christian life." —Dr. Richard Blackaby*

### Editorial Review

From Publishers Weekly

Christians, according to Blackaby, are satisfied to plod along in dreary, unrewarding spirituality and have chosen to limit their experience of God. If this former pastor and seminary president, well-known preacher and bestselling author has anything to say about it, Christians will soon blow past every limitation they've ever set for themselves in their Christian life. The issue isn't God, he says, but us. Blackaby addresses some common limitations to a vital spiritual life, as well as how to overcome those limitations. The somewhat platitudinal list includes such statements as God will not reveal more truth to you than you're capable of receiving, God will match His assignments with your character and your walk with Him and We determine the amount of joy we experience from God. Blackaby offers stories and liberal use of Scripture throughout, encouraging Christians to revitalize their relationship with God. Readers won't find sparkling freshness here. They will, however, find help in rediscovering spiritual truths they've heard before, this time told against the backdrop of Blackaby's heritage (his father is noted Christian leader Henry Blackaby) and experience. Blackaby's book is a serviceable first step toward the radical commitment he claims God requires. (Jan.) Copyright © Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.

- J. Otis Ledbetter, Senior Pastor, Sonrise Church of Clovis, CA, author and conference speaker

"Richard Blackaby blends self-deprecating humor, flashes of introspection, and theological truth as he leads us to a fresh understanding of the power of God. The message is relevant, challenging, and inspirational."
