## A Cold Legacy By Megan Shepherd

With inspiration from Mary Shelley's *Frankenstein*—and perfect for fans of Libba Bray—this breathless conclusion to the Madman's Daughter trilogy explores the things we'll sacrifice to save those we love...even our own humanity.

After killing the men who tried to steal her father's research, Juliet and her friends have escaped to a remote estate on the Scottish moors. Owned by the enigmatic Elizabeth von Stein, the mansion is full of mysteries and unexplained oddities: dead bodies in the basement, secret passages, and fortune tellers who seem to know Juliet's secrets. Though it appears to be a safe haven, Juliet fears new dangers may be present within the manor's walls.

Then Juliet uncovers the truth about the manor's long history of scientific experimentation—and her own intended role in it—forcing her to determine where the line falls between right and wrong, life and death, magic and science, and promises and secrets. And she must decide if she'll follow her father's dark footsteps or her mother's tragic ones, or whether she'll make her own.

## **Editorial Review**

From School Library Journal

Gr 9 Up—The final volume of the "Madman's Daughter" series (HarperCollins) accomplishes something too often lacking in trilogies—a third volume that is as compelling and well-written as the first installment. In this entry inspired by Mary Shelley's *Frankenstein*, Juliet, Lucy, Montgomery, Balthazar, and Edward have escaped from their pursuers to the Scottish estate of Juliet's friend and benefactor, Elizabeth von Stein. They find the isolated estate inhabited by a number of young women and girls, "wards" of Elizabeth, and one very strange male child named Hensley, Elizabeth's son. Juliet also discovers that the secrets of the rich woman's ancestor Victor Frankenstein have been preserved by the family, and with no legitimate heirs, Juliet has been chosen to receive the knowledge of "Perpetual Anatomy." The heroine wonders if she can use this knowledge to save Edward, but the complicated process is fraught with danger. Intrigue, the growing fear of discovery by their pursuers, romances between Elizabeth and Edward as well as Juliet and Montgomery, danger from within the house and its inhabitants, and secrets abound. In addition to the outer turmoil, Juliet continues to worry whether or not as her father's daughter she, too, has the "madness" gene. The skillfully drawn and well-developed characters face their emotional upheavals and outside dangers with aplomb. Shepherd's adroit weaving of the Frankenstein story line into the already complex world of Dr. Moreau's daughter, brings an exciting new twist and a satisfactory ending to the trilogy. Fast-paced and romantic, this page-turning volume results in mixed emotions—contentment with the ending, but still a desire for more.—Janet Hilbun, University of North Texas

Review

"Fast-paced and romantic, this page-turning volume [is] . . . a satisfactory ending to the trilogy." (School Library Journal (starred review))

"Riveting...A creepy and compelling tale." (Kirkus Reviews)

Praise for *HER DARK CURIOSITY*: "Unexpected twists and a cliffhanger ending that should leave [readers] craving more." (Publishers Weekly)

Praise for *THE MADMAN'S DAUGHTER*: "The fast-paced book is rife with excitement, romance, and intrigue." (School Library Journal (starred review))

Praise for *THE MADMAN'S DAUGHTER*: "A deft twist on a familiar classic, *THE MADMAN'S DAUGHTER* has the best of everything: beautiful writing, breakneck pacing, a pulse-pounding mystery, and an irresistible romance." (Carrie Ryan, New York Times bestselling author of *The Forest of Hands and Teeth* series)

Praise for *THE MADMAN'S DAUGHTER*: "Romantic, haunting, and full of spine-tingling thrills, *THE MADMAN'S DAUGHTER* kept me reading late into the night." (Veronica Rossi, New York Times bestselling author of *UNDER THE NEVER SKY*)

From the Back Cover

After killing the men who tried to steal her father's research, Juliet—along with Montgomery, Lucy, Balthazar, and a deathly ill Edward—has escaped to a remote estate on the Scottish moors. Owned by the enigmatic Elizabeth von Stein, the mansion is full of mysteries and unexplained oddities: dead bodies in the

basement, secret passages, and fortune-tellers who seem to know Juliet's secrets. Though it appears to be a safe haven, Juliet fears new dangers may be present within the manor's own walls.

Then she uncovers the truth about the manor's long history of scientific experimentation—and her own intended role in it—forcing her to determine where the line falls between right and wrong, life and death, magic and science, and promises and secrets. And she must decide if she'll follow her father's dark footsteps or her mother's tragic ones, or whether she'll make her own.

With inspiration from Mary Shelley's *Frankenstein*, this breathless conclusion to the Madman's Daughter trilogy is about the things we'll sacrifice to save those we love—even our own humanity.

## **Users Review**

### **From reader reviews:**

#### **Phillip Barker:**

The publication untitled A Cold Legacy is the book that recommended to you to learn. You can see the quality of the book content that will be shown to a person. The language that creator use to explained their ideas are easily to understand. The article writer was did a lot of exploration when write the book, so the information that they share to you is absolutely accurate. You also might get the e-book of A Cold Legacy from the publisher to make you far more enjoy free time.

#### **Dennis Taylor:**

Why? Because this A Cold Legacy is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will shock you with the secret this inside. Reading this book adjacent to it was fantastic author who also write the book in such awesome way makes the content inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of advantages than the other book include such as help improving your proficiency and your critical thinking method. So , still want to postpone having that book? If I were being you I will go to the publication store hurriedly.

#### **Colton Fierros:**

Reading a book to become new life style in this yr; every people loves to study a book. When you read a book you can get a great deal of benefit. When you read books, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what types of book that you have read.
