### Command The Morning By Dr. D. K. Olukoya

In this book, we shall address a spiritual phenomenon that will usher you into a realm that is unprecedented in every sense. God will open your eyes to certain deep truths, which will completely transform your life and make you exceptional. This topic is so uncommon that many people spend their entire lifetime without knowing anything about it. Yet, such knowledge determines a lot of things. The truth, however, is that what we are considering in this chapter cannot be found on the surface of the scriptures. They are like hidden treasures tucked away in some chests. Hence, we shall examine some of the deepest scriptures ever found in the word of God. These deep Scriptures can make a great difference between living or dying, enjoying victory or suffering defeat, living under abject poverty or enjoying stupendous wealth. In fact, what you are going to discover in this book will determine a lot of things in your life in the days, weeks, months and years ahead. You will discover the secrets of doing exploits for God and reigning in the realm of the supernatural. By the time you learn how to pray in line with what you will discover, every area of your life will move forward by fire.
