Did The Catholic Church Give Us The Bible? By David W. Daniels

The True History of God's Words.

There is not one history of the Bible, but two. One is a history of God preserving His words through His people. The other is of the devil using the Roman Catholic church to pervert God's words through her scholars. Written in a down-to-earth style, and packed with cartoon illustrations by Jack Chick, Daniels shows that the Bibles Rome gave us are really clever counterfeits, designed to eliminate God's preserved words in English, the KJV. You will see why the KJV is the only Bible you can trust.

Editorial Review

Review

It took 300 years of clever maneuvering to bring us where we are today. David Daniels masterfully uncovers facts blurred by Roman Catholic historians. This marvelous book will be a wild ride and an eye opener. History, that so many find difficult to understand, is made simple with down-to-earth explanations backed by many illustrations. The Roman Catholic system did NOT give us the Bible, as they so blatantly claim. --Jack Chick

The True History of God's Words

There is not one history of the Bible, but two. One is a history of God preserving His words through His people. The other is of the devil using the Roman Catholic church to pervert God's words through her "scholars."

Written in a down-to-earth style, and packed with cartoon illustrations by Jack Chick, Daniels shows that the Bibles Rome gave us are really clever counterfeits, designed to eliminate God's preserved words in English, the KJV. You will see why the KJV is the only Bible you can trust.

Will you trust God and believe His preserved words, or will you trust yourself to pick a Bible version that says what men think God meant to say?
