### Flawed By Kate Avelynn

Sarah O'Brien is only alive because of the pact she and her brother made twelve years ago—James will protect her from their violent father if she promises never to leave him. For years, she's watched James destroy his life to save hers. If all he asks for in return is her affection, she'll give it freely. Until, with a tiny kiss and a broken mind, he asks for more than she can give. Sam Donavon has been James's best friend—and the boy Sarah's had a crush on—for as long as she can remember. As their forbidden relationship deepens, Sarah knows she's in trouble. Quiet, serious Sam has decided he's going to save her. Neither of them realizes James is far more unstable than her father ever was, or that he's not about to let Sarah forget her half of the pact...

#### From the Author

Excerpt © 2012 Kate Avelynn

My first memory of James is what keeps me here, smoothing hair out of a boy's blood-spattered face. The sirens screaming in the distance are too late.

They're always too late.

Forehead pressed to his, I choke on the burnt stench of gunpowder and try to hum the lullaby James used to sing to me.

*You are my sunshine, my only sunshine...*

James is why I never left.

I should have left.
