### In Case You Missed It By Sarah Darer Littman

Sammy Wallach has epic plans for the end of junior year over: Sneak out to the city to see her favorite band. Get crush-worthy Jamie Moss to ask her to prom. Rock all exams (APs and driver's).

With a few white lies, some killer flirting, and tons of practice, Sammy's got things covered. That is, until the bank her dad works for is attacked by hacktivists who manage to steal everything in the Wallach family's private cloud, including Sammy's entire digital life. Literally the whole world has access to her emails, texts, photos, and, worst of all, journal.

Life. Is. Over.

Now Sammy's best friends are furious about things she wrote, Jamie thinks she's desperate, and she can barely show her face at school. Plus, her parents know all the rules she broke. But Sammy's not the only one with secrets -- her family has a few of its own that could change everything. And while the truth might set you free, no one said it was going to be painless. Or in Sammy's case, private.

### Editorial Review

#### From School Library Journal

Gr 7 Up—Sammy Wallach is a goal-oriented teen who has monumental plans for the end of her junior year in high school. Lie to her parents and sneak out to the city to see her favorite band? Check. Finally get the boy of her dreams to ask her to prom? Check. Rock her driver's ed test? Check. Everything is falling into place, until her world comes crashing down right before her eyes. The bank her father runs is attacked by hackers who have an activist agenda and steal everything in her family's private cloud network, including Sammy's journal. As a result, her entire digital life—emails, texts, and photos—is exposed for everyone to see and read. Now Sammy's best friends aren't speaking to her because of things that she wrote. The boy of her dreams thinks she is desperate instead of flirty. As if that weren't bad enough, her parents find out all of the lies that she has been telling to get her way. But Sammy soon learns that she is not the only one in her family who has been keeping secrets, and that realization turns out to be more painful than the lies that she so desperately tried to keep hidden. This work may spark some interesting conversations on Internet safety and the ramifications of anonymous digital posting. VERDICT An easy, fun read for fans of light fiction and of the author's previous novels.—Amy Caldera, Dripping Springs Middle School, TX

#### Review

#### Praise for *Backlash*

"Littman pens a raw, frighteningly realistic, and absorbing look at cyberbullying and the damaging effects of airing private trauma in a public forum." --*Publishers Weekly*

"[T]his is a powerful and credible story" --*Booklist*

#### Praise for *Want to Go Private?*

"A bold investigation of a potentially lethal, if common, mixture for teen girls: emotional immaturity, technology and emerging sexuality." --*Los Angeles Times*

"Littman pens a harrowing cautionary tale about the dangers that lurk online." --*Publishers Weekly*

"This book is a compelling, if not disturbing, read." --*School Library Journal*

#### About the Author

Sarah Darer Littman is the critically acclaimed author of *Backlash*; *Want to Go Private?*; *Life, After; Purge*; and *Confessions of a Closet Catholic*, winner of the Sydney Taylor Book Award.
