Editorial Review

Review

Fred W. Crismon - This huge, timeless classic is the complete photographic history of International Trucks from their beginning in 1907 through 2007. With over 2,500 black & white photographs, it covers every vehicle the company produced and is without a doubt the most comprehensive work ever done on these world famous trucks. 720 pages, including 55 pages with 204 full-color photos. 8.5" x 11". Soft Cover --Lance Frickensmith

About the Author

This is the third book written by Fred Crismon. From 1946 until today, the literature on all makes of cars and trucks has continued to accumulate in Fred's collections. Even in the 35 years of military and government service, of which 21 years were spent outside the US, Fred always made a point to try to keep up to date on International trucks. It was not an easy task, but through letters to the company, assistance from friends, and periodic trips back to the US, the file maintained some degree of continuity.
