Manners & Mutiny (Finishing School) By Gail Carriger

If one must flirt...flirt with danger.

Lessons in the art of espionage aboard Mademoiselle Geraldine's floating dirigible have become tedious without Sophronia's sweet sootie Soap nearby. She would much rather be using her skills to thwart the dastardly Picklemen, yet her concerns about their wicked intentions are ignored, and now she's not sure whom to trust. What does the brusque werewolf dewan know? On whose side is the ever-stylish vampire Lord Akeldama? Only one thing is certain: a large-scale plot is under way, and when it comes to fruition, Sophronia must be ready to save her friends, her school, and all of London from disaster--in decidedly dramatic fashion, of course.

What will become of our proper young heroine when she puts her years of training to the test? Find out in this highly anticipated and thrilling conclusion to the *New York Times* bestselling Finishing School series!

About the Author

New York Times bestselling author **Gail Carriger** writes to cope with being raised in obscurity by an expatriate Brit and an incurable curmudgeon. She survived her early years by reading most of her local library and memorizing Greek battles. Eventually she escaped small town life and inadvertently acquired several degrees in Higher Learning. In pursuit of further finishing, Ms. Carriger traveled the historic cities of Europe, subsisting entirely on biscuits secreted in her handbag. In the Finishing School series, she takes her readers back to a time before the Parasol Protectorate, explaining the mysteries of her steampunk world and visiting a few old friends.
