Somebody Else's Daughter: A Novel By Elizabeth Brundage

A taut, complex psychological thriller from the author of *The Doctor's Wife*

Like *The Doctor's Wife* - which *The Boston Globe* called "a compelling read"-*Somebody Else's Daughter* is a literary page-turner peopled with fascinating and disturbing characters. In the idyllic Berkshires, at the prestigious Pioneer School, there are dark secrets that threaten to come to light. Willa Golding, a student, has been brought up by her adoptive parents in elegant prosperity, but they have fled a mysterious and shameful past. Her biological father, a failing writer and former drug addict, needs to see the daughter he abandoned, and so he gains a teaching position at the school. A feminist sculptor initiates a reckless affair, the Pioneer students live in a world to which adults turn a blind eye, and the headmaster's wife is busy keeping her husband's current indiscretions well hidden. Building to a breathtaking collision between two fathers-biological and adoptive, past and present- *Somebody Else's Daughter* is both a suspenseful thriller and a probing study of richly conflicted characters in emotional turmoil.

Editorial Review

From Publishers Weekly

Brundage's second novel concerns ugly secrets that lie beneath the glossy veneer of a wealthy town and popular school in the Berkshires, waiting to be exposed by three new arrivals: a sculptor, her son and a writing teacher who gave up his daughter for adoption many years ago. Thrillers often make great audiobooks, because they offer frequent heart-stopping twists and turns. But this literary thriller, with its careful, delicate writing and a slow buildup to a powerful, sudden—and fairly predictable—denouement, is less suited to audio. Despite Bernadette Dunne's considerable efforts, the reading drags from time to time. Mark Bramhall only voices the prologue; the remainder of the book belongs to Dunne, who ably evokes both genders and is particularly skilled with New England accents. Despite the slowness of the story and patience required of the reader, this is a satisfying audio experience. *A Viking hardcover (Reviews, May 26). (Aug.)*

Review

"Students, parents, teachers, townies: *Somebody Else's Daughter* is a deft balancing act of taut plot and richly drawn characters struggling to find their moral centers as they grope in the dark for the transformative power of love. I didn't so much read this novel as devour it. Brundage is a storyteller supreme."

-- **Wally Lamb**, author of *I Know This Much Is True* and *The Hour I First Believed*

"Elizabeth Brundage is a brilliant novelist with an unfailing eye for the detail or word that will make a moment resonate and expand in the mind. It's what every great dramatist has in abundance. This new book is a riveting examination of how the past haunts the present, but beyond that, it is a relentless and powerful study of evil--of the forces that are loosed in our all too human attempts to love each other and find love. It is very moving and completely involving and I couldn't put it down. You won't be able to, either."

-Richard Bausch

About the Author

Elizabeth Brundage is the author of *The Doctor's Wife* and holds an MFA in fiction from the Iowa Writers' Workshop, where she received a James A. Michener Fellowship. Before attending Iowa, she was a screenwriting fellow at the American Film Institute in Los Angeles. Her short fiction has been published in the *Greensboro Review*, *Witness magazine*, and *New Letters*.

Users Review
