## Contract Law: Text, Cases, and Materials By Ewan McKendrick

The fourth edition of Ewan McKendrick's *Contract Law: Text, Cases, and Materials* provides a complete guide to the subject in a single volume, containing everything needed for the study of contract law at undergraduate level.

Written by an experienced author and leading authority in the field, this is a popular text with students and lecturers alike.

The book comprises a unique balance of 40% text to 60% cases and materials, combining the best features of a textbook with those of a traditional casebook. The author's clear explanations and analyses of the law provide invaluable support to students, while the extracts from cases and materials promote the development of essential case reading skills and allow for a more detailed appreciation of the practical workings of the law, and of the best legal scholarship.

## Online Resource Centre

The book is supported by an Online Resource Centre containing updates to the law, useful web links, and extra materials linked to the book. Lecturers have access to a test bank of multiple choice questions and answers.

### Editorial Review

#### Review

Review from previous edition: "Any student who is serious about attaining a deep and practical understanding of the law of contract should consider this text. It will provide an invaluable aid to any student wishing to do well in the topic, and provides considerably more in the way of analysis and practical application than a standard textbook."

--Time Higher Education Supplement

"Contains an excellent mixture of cases, materials and commentary. McKendrick's writing style ensures these are seamlessly combined."

--Student Law Journal
