Embellishments: Constructing Victorian Detail By Astrida Schaeffer

Victorian fashions up close with full length, full color photographs of gowns, detail shots, instructions, and diagrams on how to make the embellishments. Beautiful photography is paired with a step-by-step behind-the-seams examination of 19th c. design principles and techniques. See Victorian fashion a whole new way and learn to apply their approach to your own projects. Drawn from the University of NH's Irma Bowen Textile Collection, these dresses have never before been published. "In an era in which our closets are full of mass-produced clothing, Embellishments offers us a rich and lushly illustrated book that combines an obvious love of handcraft with intimate knowledge of Victorian garment construction" --Michelle Tolini Finamore, Curator of Fashion Arts, Museum of Fine Arts, Boston
