Editorial Review

From School Library Journal

PreS-Gr 1-An original selection based on the beloved character created by Margret and H. A. Rey. Curious George is a guest at a Hanukkah party, where he sees children make jelly doughnuts, plays dreidel, and watches the Man in the Yellow Hat light the menorah. He helps make latkes, plays follow the leader, assists with cleanup, and wraps up a treat for a sick friend. The reasons behind most of the activities are not provided, e.g., the lighting of the menorah is described, but the reason behind it isn't given, making this book more suited to children who already know about the holiday. Despite the glittery cover, rhyming text, and charming images of George breaking eggs and washing dishes, this board book with tabs is an additional purchase.-Mara Alpert, Los Angeles Public Libraryα(c) Copyright 2011. About the Author

Hans Augusto Rey was born in Hamburg, Germany in 1898. As a child, he spent much of his free time in that city's famous Hagenbeck Zoo drawing animals. After serving in the army during World War I, he married Margret Rey and they moved to Montmartre for four years. The manuscript for the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and Curious George was published in 1941. Curious George has been published in numerous languages. And many, many Curious George books have followed.
