**Medical-Surgical Nursing: Clinical Reasoning in Patient Care (6th Edition) (Medical Surgical Nursing - Lemone)** By Priscilla T LeMone, Karen M. Burke, Gerene Bauldoff RN PhD FAAN, Paula Gubrud

*Medical-Surgical Nursing: Clinical Reasoning in Patient Care , Sixth Edition is appropriate for courses in medical-surgical nursing. It also serves as a helpful reference for practicing nurses.*

*Improving clinical reasoning; focusing on what a new nurse needs to know*

**Medical-Surgical Nursing** provides readers with all of the practical knowledge and skills they need to care for adult patients—without overwhelming readers with unnecessarily dense writing that is beyond the beginning nurse's scope of practice. Carefully selected content focuses on the things that new nurses will need to know when they first enter practice: how to promote health, facilitate recovery from illness and injury, and provide support when coping with disability or loss. Throughout the text, the authors focus on individualized holistic nursing care as the essential element in learning and practicing nursing, regardless of the gender, age, race, culture, or socioeconomic background of the patient or practitioner. Readers are given the tools they need to develop their clinical reasoning abilities so that they can make safe and effective decisions on the job. With its understandable language, visual approach, and consistent teaching and learning format, it's no surprise that readers overwhelmingly report that they truly *like* reading this text.

**Medical-Surgical Nursing** is available packaged with **MyNursingLab®**, an online homework, tutorial, and assessment program that engages students in learning. It helps students review, remember and apply key concepts and skills—resulting in better performance in the course—and provides educators with a dynamic set of tools for gauging individual and class progress.

Students, if interested in purchasing this title with MyNursingLab, ask your instructor for the correct package ISBN. Instructors, contact your Pearson

representative for more information.

### **Teaching and Learning Experience**

To provide a better teaching and learning experience, for both instructors and students, this program will help:

- **Improve Results:** MyNursingLab better prepares students for the classroom, and beyond.
- **Develop Clinical Reasoning Skills for Today and Tomorrow:** Students are encouraged to think creatively and critically about patient care.
- **Visualize Pathophysiology:** A highly-visual presentation of the underlying pathophysiology of disease helps bring the content to life, enhancing students' understanding and aiding in clinical application.
- **Focus on Nursing Care:** The authors emphasize holistic, individualized care for all patients.

## **Editorial Review**

### **About the Author**

**Priscilla LeMone, RN, DSN, FAAN**

Associate Professor Emeritus. Sinclair School of Nursing, University of Missouri  
Adjunct Associate Professor of Nursing, College of Nursing, The University of Ohio

Priscilla LeMone spent most of her career as a nurse educator, teaching medical-surgical nursing and pathophysiology at all levels from diploma to doctoral students. She has a diploma in nursing from Deaconess College of Nursing (St. Louis, Missouri), baccalaureate and master's degrees from Southeast Missouri State University, and a doctorate in nursing from the University of Alabama—Birmingham. She is retired as an Associate Professor Emeritus, Sinclair School of Nursing, University of Missouri—Columbia, but continues to keep up to date in nursing both as an Adjunct Associate Professor at the Ohio State University, College of Nursing and as an author of nursing textbooks.

Dr. LeMone had numerous awards for scholarship and teaching during her more than 30 years as a nurse educator. She is most honored for receiving the Kemper Fellowship for Teaching Excellence from the University of Missouri—Columbia, the Unique Contribution Award from the North American Nursing Diagnosis Association, and for being selected as a Fellow in the American Academy of Nursing

Dr. LeMone currently lives in Ohio. She enjoys traveling, gardening, knitting and reading fiction.

She believes that her education gave her solid and everlasting roots in nursing. Her work with students has given her the wings that have allowed her love of nursing and teaching to continue through the years

**Karen M. Burke, RN, MS**

Karen Burke has been a nurse educator for much of her career, teaching basic and advanced medical-surgical nursing and pathophysiology. She retired as director of the nursing and health occupations programs at Clatsop Community College in Astoria, Oregon, subsequently serving as nursing education consultant and program manager for the Oregon State Board of Nursing. She currently provides consulting services for nursing and higher education.

Ms. Burke earned her diploma in nursing from Emanuel Hospital School of Nursing in Portland, Oregon, later completing baccalaureate studies at Oregon Health & Science University, and a master's degree in nursing at the University of Portland. She has been actively involved in nursing education and clinical nursing education reform, as well as in

initiatives to address the nursing faculty shortage. Ms. Burke is coauthor of another text, Medical-Surgical Nursing Care (3rd edition) with Elaine Mohn-Brown and Linda Eby.

Ms Burke strongly values the nursing profession and the importance of providing a strong education in the art and science of nursing for students preparing to enter the profession, no matter which educational path is being pursued.

### Gerene Bauldoff, RN, PhD, FAAN

Gerene Bauldoff is an Associate Professor of Clinical Nursing at the Ohio State University College of Nursing in Columbus, Ohio. She has been a nurse educator for ten years, teaching medical-surgical nursing, clinical specialist role and translational science courses at the baccalaureate, master's and doctoral levels. Prior to her nursing educator role, her clinical background includes home health nurse, lung transplant coordinator and pulmonary rehabilitation coordinator. Dr. Bauldoff has a diploma from the Western Pennsylvania Hospital School of Nursing, Pittsburgh, PA, and a BSN from LaRoche College, in Pittsburgh. Her graduate education is from the University of Pittsburgh, with a MSN in Medical-surgical nursing (Cardiopulmonary clinical nurse specialist) and PhD in Nursing in 2001, training under Leslie Hoffman, PhD, RN, FAAN.

Dr. Bauldoff is an active member in multiple professional organizations including Sigma Theta Tau International Honor Society of Nursing, the American Association of Cardiovascular and Pulmonary Rehabilitation (AACVPR), the American Thoracic Society Nursing Assembly and the American College of Chest Physicians (ACCP). She is a recognized expert in medical-surgical nursing, focusing on the care of the patient with chronic pulmonary disease and served as the nursing representative on the ACCP/AACVPR Evidence-based Guidelines for Pulmonary Rehabilitation published in 2007. She has been honored with fellowship in AACVPR and ACCP. She currently serves on the Board of Directors of the American Association of Cardiovascular and Pulmonary Rehabilitation and has been appointed to the Community-Based Care board of the Ohio Council of Home Care and Hospice.

Dr. Bauldoff feels nursing is the best profession, using of scientific evidence to provide the highest quality of care while maintaining the personal relationship with the patient and their family. Her experiences provide her with insights and lessons learned that she shares with her students.

Dr. Bauldoff resides in central Ohio. She enjoys reading, walking, bicycling, golf and spending time with her family and friends. She is learning the intricacies of social networking and keeps up to date with technology to be able to interface with her students, family and friends.

## Users Review

### From reader reviews:

**Sang O'Connor:**
