## **Editorial Review**

From the Back Cover

This bestselling text focuses on presenting the ideal content for preparing teachers to meet the needs of elementary and secondary students with learning and behavior problems in a variety of settings. Streamlined in the previous edition to provide more hands on applications and classroom strategies than any other methods text on the market, this new Ninth Edition presents fresh ideas and information using current research on best practices through the use of embedded video clips, web links, and step-by-step instructional strategies.

The goals of the text are to provide readers with a solid foundation and understanding about the general approaches to teaching and learning, descriptions of detailed methods and procedures for understanding how to use the approaches, and practical information about organizing and planning for teaching. Featured in this new edition are:

- A new emphasis on and integration of the Common Core State Standards (CCSS) throughout.
- Updated coverage of RtI.
- A new emphasis on higher level thinking, including reading comprehension and complex texts as well as problem solving, fractions, and algebra.
- Increased focus on classroom management and positive behavior support.
- Updated and enhanced key research, practice opportunities, and strategies throughout.
